**Southern Nevada Children's  
Advocacy Center  
August 15, 2023**

# What is the Southern Nevada Children's Advocacy Center?

- A child-friendly center where a multidisciplinary team of child abuse professionals works collaboratively while investigating child physical and sexual abuse, and child sex trafficking.
- Children's advocacy centers are best practice in child abuse response.

# Why Children's Advocacy Centers?

---

Reduce the amount of trauma children experience when reporting abuse

---

Foster better outcomes in child maltreatment investigations

---

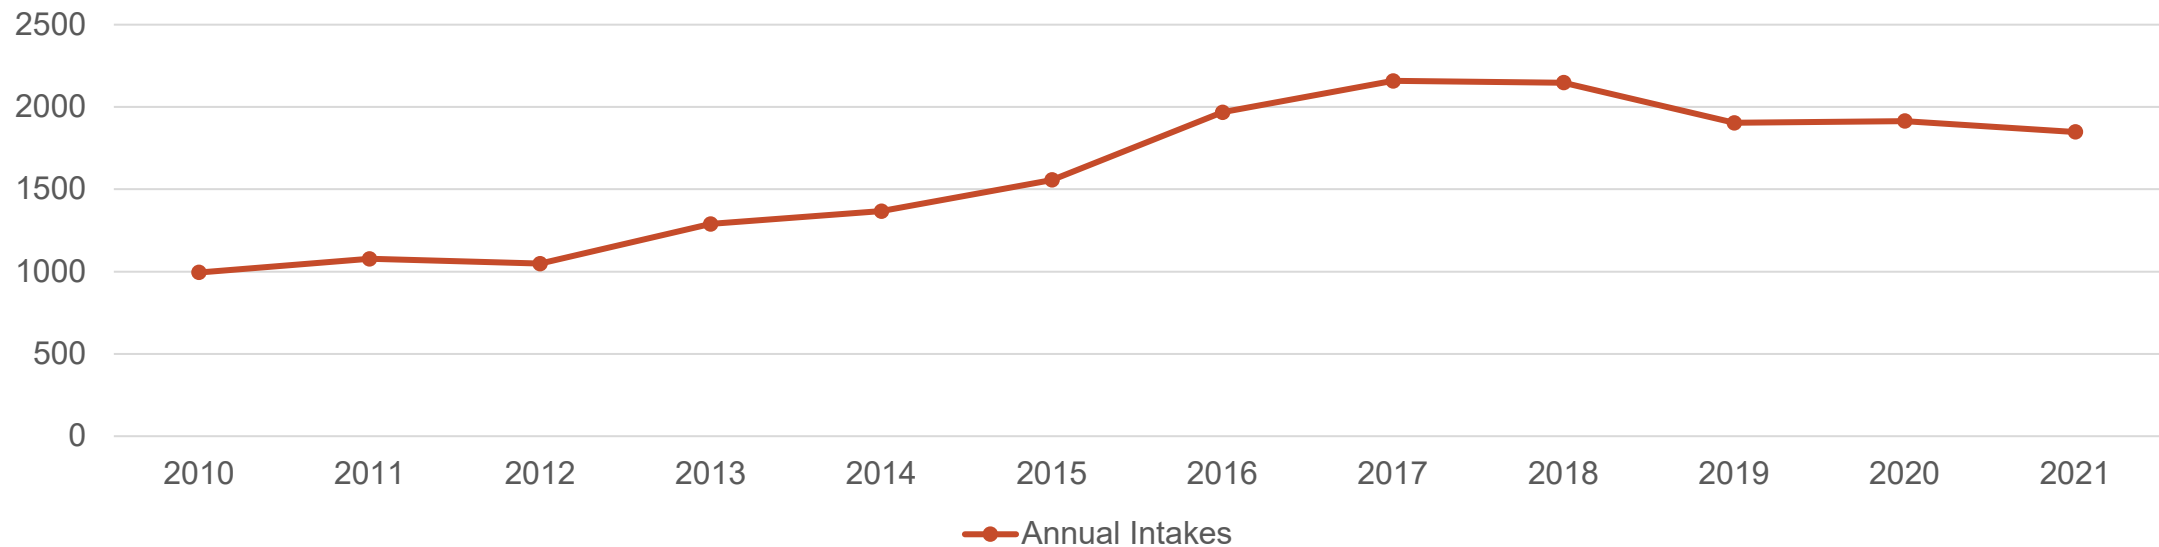

Support the needs of child victims and their families

# CAC Foundation

## Community Closet and Food Pantry

Stocked with nonperishable food, hygiene, household cleaners, door alarms, journals, blankets, craft kits and other items.

## #Vegas Heals

Ensuring victims and their families can complete their treatment without incurring expenses when insurance ends.

## Annual Backpack Drive

Each year the CACF conducts an annual back-to-school backpack and school supply drive to benefit the children and families served at the SNCAC.

## Adopt a Family for the Holidays Program

CACF partnered with the MGM foundation to provide gifts to SNCAC client families during the holidays.

## Annual Evening at the Ballpark

Event to support programming for the children and families served at the SNCAC.

This year raised \$3 million to fund renovations on new SNCAC building.
