V. Informational Items

Receive a presentation from Clark County Regional Flood Control District regarding the "2025 Master Plan Update for the Muddy River and Tributary Washes" (For Discussion Only)

The presentation was by Andrew Trelease with the Regional Flood Control District. He presented the improvements that have been done in the last 35 years, and what is planned for the next 10 years. He

RECEIVED

APR 14 2025

COUNTY CLERK

explained how they all come together and answered the Public's questions. He explained that the Regional Flood Control District is separate from Clark County but works with Clark County regarding Flooding issues. He explained that this Plan is updated every 5 years, and that is why they request comments. The comments help them with good flood plan management, and creation of a data base for issues. He did answer some questions regarding Overton Wash, Cottonwood, and Corner of Moapa Valley Blvd. and Jones St. He also informed us that if there are continued issues with the washes being blocked, Denis Cedarberg with Clark County Public Works will be contacted to help get them cleared.

VI. Planning & Zoning

NONE

VII. General Business:

NONE

VIII. Public Comment:

Marc Jensen spoke of concerns regarding cement plant coming to Moapa, and how it would increase the flow into the Muddy River, thereby increasing flow to the Moapa Valley.

Chris Milk, MV Librarian shared information regarding the Library's many activities in the next 2 months.

Board Member reported on the following activities: Logandale Trails Jr. Ranger Day, VFW 2025 Project to restore Overton's Guardian Tank, Clothes for Comfort drive, Neighborhood Meeting in Moapa on 2/24/25, and the Community Yard sale on March 7th and 8th.

IX. Next Meeting Date

The next regular meeting will be February 26, 2025 at 7:00 p.m.

X. Adjournment

The meeting was adjourned at 7:48 p.m.
