Additional Comments:	All shipping costs will be paid by the Silver Run Ski Team.		

BACKGROUND:

The Silver Run Ski Team, a premier club in South Central Montana, provides training for approximately 140 athletes, aged 6 to 85. The donation of 30 Motorola radios would significantly enhance the team's safety, as their current radios are old and unreliable. These donated radios would be the most effective way to improve daily operations and event safety, which is the team's top priority.
