BACKGROUND:

On December 19, 2023, the Board of County Commissioners approved a pre-qualification list to be used to select professional service providers for the period from January 1, 2024 through December 31, 2025. WSP USA, Inc. was selected from the pre-qualification list, [Service]: Construction Management - Administration Major, to provide construction management services for the Tropicana Avenue and University Center Drive Drainage Improvements Phase 2 (Van Buskirk - Paradise Detention Basin) project, Bid No. 607074-24.

Due to Clark County Department of Public Works' present and anticipated project workload, the services of an outside consultant for project management are needed. County staff negotiated the attached professional services contract with WSP USA, Inc. The contract describes the services to be provided and stipulated terms. The time of performance is effective to December 31, 2026, unless time extensions are granted.

WSP USA, Inc. currently holds a Clark County Business License.

The District Attorney's Office has reviewed and approved the contract as to form.
