Description:	N/A		
Additional Comments:	N/A		

BACKGROUND:

On January 14, 2021, the Regional Transportation Commission of Southern Nevada (RTC) approved Interlocal Contract No. 1249 for the Intersection Improvements Program: Roundabouts at Various Locations project (No. PW.R00223S) on its annual Capital Improvement Program from Motor Vehicle Fuel Tax Funds. The project was designed in-house as part of RTC's 223P-FT12 project.

On February 16, 2021, the Board of County Commissioners approved Interlocal Contract No. 1249 providing funds for construction of the project.

The attached Supplemental No. 1 to Interlocal Contract No. 1249 changes the funding account for this project. Funds for the project are now budgeted in RTC's Highway Improvement Acquisition Fund for Fiscal Year 2022. The current total contract value is \$2,500,000 for this project.

This project is identified on RTC's Capital Improvement Program. RTC approved the first supplemental contract at its meeting on February 10, 2022.

The District Attorney's Office has reviewed and approved the first supplemental contract as to form.
