**BACKGROUND:**

The Regional Transportation Commission of Southern Nevada (RTC) has approved the Blue Diamond Wash Trail between Durango Drive and Hualapai Way project on its annual Capital Improvement Program from its Highway Improvement Fund for Fiscal Year 2025.

Interlocal Contract No. 3175 provides funds for construction of trail improvements along the south side of the Blue Diamond Wash between Durango Drive and Hualapai Way. The improvements will include an Americans with Disabilities Act (ADA) compliant 12-foot to 15-foot wide paved trail with erosion protection measures, collapsible bollards, striping, wayfinding signage, an at-grade crossing of Fort Apache Road, as well as connections to existing trailheads on each end of the alignment where an existing easement is provided. All necessary right-of-way to construct the project has been obtained, and Clark County is ready to advertise the project for construction. The time of performance is effective until December 31, 2029, unless time extensions are granted.

RTC approved the interlocal contract at its meeting on August 8, 2024.

The District Attorney's Office has reviewed and approved the interlocal contract as to form.
