SECTION THREE. Title 7 of the Clark County Code is hereby amended to add a new chapter to read as follows:

TITLE 7 – CHAPTER 7.100 – SHORT-TERM RENTAL UNITS

7.100.010. Findings

The Clark County Board of Commissioners finds and declares that:

- (a) The primary function of residential development in Clark County is to provide permanent, affordable housing for the residents of the County. The commercial use of residential development for transient lodging is inconsistent with this purpose and constricts the availability of affordable housing.
- (b) The use of short-term rental properties to host large, disruptive parties in residential neighborhoods and for purposes other than those incidental to dwelling, lodging, and sleeping, causes harm to the quality of life for the permanent residents of Clark County and constitutes a public nuisance.
- (c) The increasing number of short-term rental units in Clark County has diverted a noticeable portion of transient lodging away from traditional transient lodging establishments and has negatively impacted the revenue derived from such rentals to local governments and other agencies and beneficiaries of transient lodging taxes.
- (d) On June 4, 2021, Assembly Bill 363 (AB 363) from the 2021 Nevada State Legislative Session was signed into law by the Governor of the State of Nevada. AB 363 requires Clark County to repeal its longstanding prohibition on the use of short-term rental

properties in residential neighborhoods and instead adopt and enforce an ordinance allowing for the rental of a residential unit or a room within a residential unit for the purposes of transient lodging.

- (e) The operation of a residential unit as a short-term rental is a commercial use which necessitates the payment of the combined transient lodging tax and which renders the short-term rental property ineligible for the primary residential tax cap permitted in NRS 361.
- (f) Pursuant to its powers to address matters of local concern; to adopt such ordinances and regulations necessary and proper to develop affordable housing; and to repair, clear, correct, rectify, safeguard or eliminate any public nuisance, the Clark County Board of Commissioners finds that it is necessary to license those persons who operate residential units for the commercial purpose of transient lodging and to impose restrictions on the operation of those businesses as is necessary to provide for the health, safety, and welfare of the public, as set forth in this Chapter.

SECTION FOUR. Title 7 of the Clark County Code is hereby amended to add a new chapter to read as follows:

TITLE 7 – CHAPTER 7.110 – ACCOMMODATIONS FACILITATORS

7.110.010. Findings

The Clark County Board of Commissioners finds and declares that:

- (a) On June 4, 2021, Assembly Bill 363 (AB 363) from the 2021 Nevada State Legislative Session was signed into law by the Governor of the State of Nevada. AB 363 requires Clark County to repeal its longstanding prohibition on the use of short-term rental properties in residential neighborhoods and adopt and enforce an ordinance allowing for the rental of a residential unit or a room within a residential unit for the purposes of transient lodging and for the regulation of Accommodations Facilitators.
- (b) The unregulated proliferation of short-term rentals in Clark County constricts the availability of affordable housing and, to the extent that short-term rental properties are used to host large, disruptive parties and for purposes other than those incidental to dwelling, lodging, and sleeping, harms the quality of life for the residents of Clark County.
- (c) The increasing number of short-term rental units in Clark County has diverted a noticeable portion of transient lodging away from traditional transient lodging establishments and has negatively impacted the revenue derived from such rentals to local governments and other agencies and beneficiaries of transient lodging taxes.
- (d) As Accommodations Facilitators advertise most of the short-term rentals available for rent, the Clark County Board of Commissioners finds that it is necessary to license those persons who operate as Accommodations Facilitators to facilitate the collection of transient lodging taxes from all persons licensed to operate Short-Term Rental Units in Clark County.
- (e) Additionally, pursuant to its powers to address matters of local concern; to adopt such ordinances and regulations necessary and proper to develop affordable housing; and to repair, clear, correct, rectify, safeguard or eliminate any public nuisance, the Clark County Board of Commissioners also finds that it is necessary to impose restrictions on the operation of Accommodations Facilitators as set forth in this Chapter to curtail

the loss of housing units available to residents as permanent housing, to abate those short-term rentals operating as public nuisances, and to provide for the health, safety, and welfare of the public.

7.110.020. Definitions

Except as provided herein, the words and terms contained in this Chapter shall have the meaning ascribed in Section 7.100.030 of this Code, unless a different meaning clearly appears in the context.

SECTION FIVE. Title 30, Chapter 30.44, Section 30.44.010 of the Clark County Code is hereby amended to read as follows:

30.44.010 - Uses Allowed in Zoning Districts.

- a. The uses listed in Table 30.44-1 are subject to the development standards listed in Chapters 30.52 (Off-Site Development Requirements), 30.56 (Site Development Standards), 30.60 (Parking and Loading Regulations), 30.64 (Site Landscape and Screening Standards), and 30.68 (Site Environmental Standards) unless modified by the restrictions of any of the overlay districts in Chapter 30.48 (Zoning Overlay Districts) or by the table.
- b. The following categories of uses, conditions and exceptions are identified and listed in Table 30.44-1:
 1. **Permitted Uses "P"**. The use is permitted as a principal use in that zoning district.

2. **Accessory Uses "A"**. The use is permitted only as an accessory use to the principal use, indicated in Table 30.44-1, within the specified district, but this does not exclude other land uses which are also considered accessory to the principal use, but not listed in Global Use Table. Within the Co-operative Management Agreement Area (See Map in Appendix G), accessory structures and uses shall be permitted on a lot deed restricted by Clark County for nonresidential uses only; where the principal use is established on the adjacent lot and both properties are under the same ownership. The Zoning Administrator shall determine when uses are accessory.
3. **Conditional Uses "C"**. The use is permitted in the specified districts subject to meeting stated conditions (this may be reviewed with a building permit, business license or design review; a separate land use application is not required). If stated conditions do not apply, the use is a permitted use in that district. All conditional uses require performance measures to mitigate possible negative impacts of the use. These measures are numbered where each conditional use is listed in the Table 30.44-1.
4. **Temporary Uses "T"**. Temporary uses are permitted in each zoning district subject to the performance conditions listed with an administrative temporary use (T), as provided in Table 30.16-5.
5. **Special Uses "S"**. The use is permitted as a special use in the listed districts with a special use permit subject to a public hearing process per Table 30.16-4. Some special uses require performance measures to mitigate possible negative impacts of the use when each special use is listed in Table 30.44-1.
6. **Conditions related to various uses.** Most uses require performance conditions to mitigate possible negative impacts of the use. Whenever the applicant cannot or does not desire to comply with a performance condition, relief may only be sought as follows:
 - A. **Accessory Uses, Conditional uses, Temporary Uses.** A special use permit may be requested in order to waive a condition associated with these uses, unless the condition cannot be waived or varied.
 - B. **Special Uses.** A waiver of development standards may be requested in addition to the special use permit, in order to waive a condition associated with a special use, unless the condition cannot be waived or varied. Certain conditions, as listed in Table 30.44-1, may be considered to be waived during the public hearing process of the special use permit, without the separate waiver of development standards application.
7. **Prohibited Uses.**
 - A. Uses not permitted are expressly prohibited; however, nothing in this Title shall be construed to prohibit constitutionally protected activities including the use of a

home for noncommercial gatherings of family and friends, discussion groups, religious or political gatherings, or neighborhood meetings.

- B. If 1 of the above letters indicating the category of use is not shown in the zoning district columns in Table 30.44-1 for a corresponding use, then the use is not permitted.
- C. Transient commercial use of residential development for remuneration is prohibited in all residential zoning districts, or in any miscellaneous zoning district of this Title, except as otherwise expressly permitted [in this Title or as licensed pursuant to Chapter 7.100 of the Clark County Code](#).

~~i.—The provisions of this Section do not supersede private covenants, deed restrictions, declarations of restrictions and equitable servitudes which impose conditions more restrictive than those imposed by this Section, or which impose restrictions not covered or addressed by this Section.~~

~~ii.—The right to maintain a legal nonconforming transient commercial use of residential development for remuneration (profit) shall terminate within 3 years from August 19, 1998, after the use became legally nonconforming, subject to the following provisions:~~

~~a.—Such a use shall not be classified as a legal nonconforming use, and shall thereafter conform to the regulations specified in this Section, if the use is maintained, or has been maintained, in violation of, or contrary to, private covenants, deed restrictions, declarations of restrictions, equitable servitudes, or the express terms of a deed of trust, loan or other purchase agreement or security instrument applicable to the residential developed property upon which the use is maintained.~~

~~b.—If any such legal nonconforming use ceases for any reason for a period of 30 days or more, any subsequent use shall no longer be classified as a legal nonconforming use and shall thereafter conform to the regulations specified in this Section.~~

~~c.—Nonconforming uses and structures established pursuant to this Section are subject to the regulations concerning nonconforming uses and structures set forth in [Chapter 30.76 \(Nonconformities\)](#) of this Title for the period specified in subsection (7)(C) (ii) above.~~

- D. Storage of commercial vehicle or vehicles constitutes a commercial use of land and is prohibited in residential districts except as otherwise expressly permitted; (See Outside Storage 30-44-1) however, this provision shall not be interpreted to prohibit the parking of a single automobile used for commercial purposes (see regulations for "Home Occupation").

- E. Storage of more than 3 recreational vehicles or travel trailers is prohibited, except as otherwise expressly permitted.
 - i. The provisions of this Section do not supersede private covenants, deed restrictions, declarations of restrictions and equitable servitudes which impose conditions more restrictive than those imposed by this Section, or which impose restrictions not covered or addressed by this Section.
 - ii. The right to maintain a legal nonconforming use of storing of more than 3 recreational vehicles or travel trailers shall terminate within 1 year from February 16, 2016, after the use became legally nonconforming, subject to the following provisions:
 - a. If any such legal nonconforming use ceases for any reason for a period of 30 days or more, any subsequent use shall no longer be classified as a legal nonconforming use and shall thereafter conform to the regulations specified in this Section.
 - b. Nonconforming uses and structures established pursuant to this Section are subject to the regulations concerning nonconforming uses and structures set forth in Chapter 30.76 (Nonconformities) of this Title for the period specified in subsection (7)(E)(ii) above.
- F. It is an unlawful prohibited use for any person owning or occupying a developed or otherwise improved parcel of land within unincorporated Clark County to fail to clear such land, within ten days after notice is given to such person by the County, of weeds, grass over 4 inches in height, or any vegetation that is overgrown, dead, dry, diseased, or noxious.

SECTION SIX. If any section of this ordinance or portion thereof is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such holding shall not invalidate the remaining parts of this ordinance.

SECTION SEVEN. All ordinances, parts of ordinances, chapters, sections, subsections, clauses, phrases or sentences contained in the Clark County Code in conflict herewith are hereby repealed.

SECTION EIGHT. This ordinance shall take effect and be in force from and after its passage and the publication thereof by title only, together with the names of the County Commissioners voting for or against its passage, in a newspaper published in and having a general circulation in Clark County, Nevada, at least once a week for a period of two (2) weeks.
