Letter of Interest ~ Clark County Rural Alliance Advisory Committee

May 11, 2026

Clark County Board of Commissioners
Commissioner Michael Naft, Chairman, District A
Commissioner William McCurdy, II, Vice Chairman, District D
Commissioner Marilyn Kirkpatrick, District B
Commissioner April Becker, District C
Commissioner Tick Segerblom, District E
Commissioner Justin Jones, District F
Commissioner James Gibson, District G

As a current member of the Rural Alliance Advisory Committee, I would like to request a second term and the opportunity to continue the work of this Advisory Committee representing District C under Commissioner April Becker.

The work of the committee has barely broke ground, and I am confident that my knowledge of local ordinances and zoning codes will be an asset to this committee. I am a good listener, always willing to learn, and have patience to explain ordinances to neighbors for their clarification and benefit. It is my hope to continue to establish this committee as a valued resource to both the Board of County Commissioners and our valley neighborhoods.

This Rural Alliance Advisory Committee is well poised to ensure our unique rural areas will be better defined and designated, securely established and protected, preserved and enduring for the following generations.

Thank you for your consideration and I look forward to continued advocacy on behalf of District C of Clark County.

Respectfully,

Brigitte Solvie
