# PrimeCare: Healthy Together Problem

## Access to Care

- Clark County residents who are **uninsured or underinsured** are not able to **access dental and vision care**
- Youth in the care of Clark County require access to dental care
- Medically underserved areas across Clark County create additional challenges to access care

**togetherforbetter**

# PrimeCare: Healthy Together Solutions to Care

- Create **fee for service** rates for services rendered: **screenings** and medically necessary **treatments**
- Deploy mobile units on-site to serve **youth** located at **Child Haven** and **Juvenile Detention**
- Deploy mobile units to neighborhoods for **in-the-field** care
- Expand Healthy Together to deliver both **dental** and **vision** care

**togetherforbetter**

## Engagement

- Thorough assessment of overall oral health
- Identification of potential dental issues
- Examination of teeth and gum conditions
- Evaluation of existing dental restorations

## Modified Engagement

# PrimeCare: Healthy Together Outcomes

- Deployed 15x to Child Haven; 154 youth served; \$85,166 in care
- Deployed 16x to Juvenile Detention; 110 youth served; \$99,319 in care  
Juvenile Detention ROI  
880 transport hours X \$36.29 avg. hourly rate = \$31,935 in savings
- Deployed 21x in urban Clark County; 514 people served; \$387,626 in care
- Deployed 11x in rural Clark County; 422 people served; \$90,696 in care

**Totals: 63 deployments; 1,200 people served; \$662,807 in care**

- Anticipate vision expansion in May, expect to deploy 6x this FY.
