

CLARK COUNTY BOARD OF COMMISSIONERS

AGENDA ITEM

Petitioner: Patrick Almeida, Acting Director of Parks and Recreation

Recommendation:

Approve and authorize the allocation of Wetlands Park Recreational Capital Improvement and/or grant funds for the expansion and upgrade of the audiovisual equipment at the Wetlands Park Nature Center, and supplement Wetlands Park funds if the project costs exceed the estimate. (For possible action)

FISCAL IMPACT:

Fund #:	4110.000, 2031	Fund Name:	Recreation Capital Improvement, 1280-AB84WETL
Fund Center:	1280130170	Funded PGM/Grant:	1280-AB84WETL.2023
Amount:	\$383,249.00		
Description:	Audiovisual system expansion and upgrade at the Wetlands Park Nature Center		
Additional Comments:	N/A		

BACKGROUND:

The audiovisual ("AV") system at the Wetlands Park Nature Center was originally installed in 2012 during the construction of the facility. The AV system is now outdated and in need of replacement to meet current operational and programming needs.

The Wetlands Park Nature Center was originally funded by the Southern Nevada Public Lands Management Act, which requires the receiving agency to ensure proper maintenance of the infrastructure funded.

The proposed AV system expansion and upgrade will encompass the replacement and installation of new audiovisual components throughout the Wetlands Park Nature Center, including in the administrative offices, meeting rooms, and public areas. The new audiovisual components will include house speakers, projectors, flat-screen monitors, an upgraded intercom system, a system that enable wireless meeting capabilities, and improved technology for remote wildlife camera viewing.

The project funding will be provided either through the Wetlands Capital Improvement Fund or via the existing Conserve Nevada Funding Agreement with the State of Nevada Department of Conservation and Natural Resources.
