Skills

As a long time district employee I have designed and aligned curriculum for SPED classes K-3. I am able to collect and analyze data to determine next steps in instruction. I'm very familiar with Infinite Campus and the Special Education process at the primary level. Over the years, I've lead numerous Individualized Education Plan (IEP) meetings. I've taken on the role of organizing staff to run family night events. I've created schedules for school wide activities such as Halloween Parade and Garden Club. Most recently I've created interactive lessons during distance learning that helped engage and entertain students.

To whom it may concern,

I am writing to express my interest in the Opioid Task Force position. With many years working in the Clark County School District I have seen the effect that opioids can have on families and students. I am interested in helping the fight against opioid use.

My qualifications align to be a part of the task force.. Here are some key strengths and experiences that I would bring:

1. **Data Analysis and Evaluation:** I am proficient in collecting and analyzing data related to opioid use trends, treatment outcomes, and community needs. I have used this information to guide evidence-based interventions and measure their effectiveness.
2. **Community Engagement:** I am passionate about engaging with communities affected by the opioid epidemic, building trust, and implementing outreach programs that provide education, support, and resources to those in need.
3. **Advocacy and Policy Development:** As a special education teacher, I have been actively involved in advocating for students and families.
4. **Compassion and Empathy:** My experiences in the school district have taught me the importance of approaching this crisis with empathy and compassion. I am dedicated to reducing stigma associated with addiction and fostering a supportive environment for individuals in recovery.

I am inspired by the mission to combat the opioid epidemic and believe that my skills and passion align perfectly with your goals. I am excited about the opportunity to contribute my expertise to your dedicated team and make a meaningful impact on the lives of those affected by this crisis.

Enclosed is my resume, which provides further details about my professional background and achievements. I would welcome the chance to discuss how my qualifications match the needs of the Opioid Task Force in more detail during an interview.

Thank you for considering my application. I look forward to the possibility of joining and working alongside a team committed to finding innovative solutions to the opioid epidemic.

Sincerely,

Kyle Kuwahara
