BACKGROUND:

Project Description

General Summary

- Site Address: 7051 W. Pebble Road & 8955 S. Rainbow Boulevard
- Site Acreage: 45.3
- Number of Lots/Units: 305
- Density (du/ac): 6.7
- Minimum/Maximum Lot Size (square feet): 3,325/9,953
- Project Type: Single family residential subdivision

The site plan depicts a 305 lot single family subdivision with a single gated access point from Pebble Road on the north side of the site. Boundaries of the subdivision extend from Rainbow Boulevard on the east to Tenaya Way on the west. The northern boundary is Pebble Road, and the southern boundary is Agate Avenue on the southwest side and Raven Avenue on the southeast side. The proposed R-2 zoned single family subdivision circles around 5 existing single family residences zoned R-E (RNP-I) located in the middle of the northwest portion of the overall subdivision. Access to these existing residences is maintained from Pebble Road, a portion of Belcastro Street, and a portion of Raven Avenue.

The entrance to the gated subdivision includes a 60 foot wide private street with sidewalks on both sides, and streets within the subdivision are 43 foot wide streets with sidewalks on one side. The internal street layout includes multiple cul-de-sacs and stub streets, which limits circulation

within the subdivision; however, pedestrian access easements to the exterior perimeter streets are provided on 4 of the cul-de-sacs and both stub streets.

One, 879 square foot lot near the entrance is the only open space for the 305 lot subdivision. Although other common lots are provided, these lots include the required perimeter street landscaping and landscaping where the side or rear of residential lots within the subdivision are adjacent to internal streets. These landscape planters internal to the subdivision are 5 feet wide.

STANDARDS FOR APPROVAL:

The applicant shall demonstrate that the proposed request meets the goals and purposes of Title 30.

Analysis

Current Planning

This request meets the tentative map requirements as outlined in Title 30. However, since staff cannot support the companion nonconforming zone boundary amendment, staff also cannot support this tentative map.

Staff Recommendation

Denial. This item will be forwarded to the Board of County Commissioners' meeting for final action on June 16, 2021 at 9:00 a.m., unless otherwise announced.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, and/or the Nevada Revised Statutes.

PRELIMINARY STAFF CONDITIONS:

Current Planning

If approved:

- Applicant is advised that the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that a final map for all, or a portion, of the property included under this application must be recorded within 4 years or it will expire.

Public Works - Development Review

- Drainage study and compliance;

- Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- Traffic study and compliance;
- Full off-site improvements unless waived by this or a subsequent application;
- Right-of-way dedication to include 21 feet for Raven Avenue and 21 feet for Belcastro Street near the northwest portion of the site, 30 feet and a portion of a cul-de-sac for Raven Avenue on the east portion of the site, 40 feet for Tenaya Way, 30 feet and a portion of a cul-de-sac for Agate Avenue, 55 feet to the back of curb for Rainbow Boulevard, 50 feet for Pebble Road where non-urban standards apply, 45 to 50 feet to the back of curb for Pebble Road where full off-sites are required, and all associated spandrels;
- Execute a Restrictive Covenant Agreement (deed restrictions);
- Apply for a public BLM right-of-way grant through Public Works - Development Review Division for any necessary rights-of-way on BLM land abutting the subject site;
- If required by the Regional Transportation Commission (RTC), dedicate and construct right-of-way for a bus turnout on the west side of Rainbow Boulevard, just south of Pebble Road, including a 5 foot by 25 foot bus shelter pad easement behind the sidewalk in accordance with RTC standards.
- Applicant is advised that the installation of detached sidewalks will require dedication to back of curb and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control; and that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.

Current Planning Division - Addressing

- Approved street name list from the Combined Fire Communications Center shall be provided.

Building Department - Fire Prevention

- Applicant is advised that fire objects to the proposal to end Raven Avenue in a cul-de-sac; and that there is a previously approved agreement to allow a temporary condition of single source water supply for the proposed fire station which should be resolved with build-out of road west of the station.

Clark County Water Reclamation District (CCWRD)

- Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0384-2020 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require a new POC analysis.
