**LAND USE PLAN:**

WINCHESTER/PARADISE - ENTERTAINMENT MIXED-USE

**BACKGROUND:**

**Project Description**

General Summary

- Site Address: 3200 Las Vegas Boulevard S.
- Site Acreage: 42.8 (portion)
- Project Type: Vehicle rental facility
- Square Feet: 313 (lease area)
- Parking Required/Provided: 4,830/5,543

Site Plans & Request

The plans depict an existing site with 9 different buildings that are individually located on 9 contiguous parcels. The 8 buildings provide interior access to each other, giving the appearance of 1 large building, with a central building connecting the other 8 structures together and providing interior access to the individual buildings. Access to the site is granted via Sammy Davis Jr. Drive, Fashion Show Drive, Las Vegas Boulevard South, Fashion Lane, and Mel Torme Way. The proposed vehicle rental facility will be located within the interior of the shopping center building in an atrium area located in the central building. The vehicle rental facility is on the ground floor of the shopping center with escalator connections to the lower-level parking garage where the rental vehicle fleet will be located directly under the rental desk area. The current parking requirement for the Fashion Show Mall is 4,830 spaces with 5,543 being provided after the 20 proposed rental vehicle spaces are deducted from the overall count.

Landscaping

No additional landscaping is proposed or required with this request.

### Floor Plans

The floor plans show the vehicle rental facility will consist of a 313 square foot open air lease area within the western atrium of the central mall building. The lease area will be located under an existing escalator bank with 2 desk structures located at the eastern edge of the lease area. The desks themselves will be 6.45 square feet each and located in front of a 7.8-foot-tall cabinet and storage structure with company branding. The remaining portion of the lease area will be dedicated to a customer queuing and waiting area.

### Applicant's Justification

The applicant will add a car rental desk as an accessory use to the existing Fashion Show Mall, providing visitors with an additional amenity. The proposed use represents a valid use at this property. The desk will be open 7 days a week and will be staffed by a branch manager and two rental agents. Customers will receive their rental agreement and car keys at the Sixt desk inside the mall and then proceed down to the parking garage where 20 parking stalls will be dedicated to the rental vehicle fleet, which represent a minor number of spaces.

**STANDARDS FOR APPROVAL:**

The applicant shall demonstrate that the proposed request is consistent with the Master Plan and is in compliance with Title 30.

**Analysis****Comprehensive Planning**Use Permit

A special use permit is considered on a case-by-case basis in consideration of the standards for approval. Additionally, the use shall not result in a substantial or undue adverse effect on adjacent properties, character of the neighborhood, traffic conditions, parking, public improvements, public sites or right-of-way, or other matters affecting the public health, safety, and general welfare; and will be adequately served by public improvements, facilities, and services, and will not impose an undue burden.

The proposed vehicle rental facility, including both the fleet parking and desk area, will be entirely contained within the interior of the Fashion Show Mall building and will not be visible from the street. The proposed structures are essentially moveable desk areas that should not have an impact on the design or floor layout of the building. The existing shopping center is relatively large and already experiences a high amount of car and pedestrian traffic, so the potential increase in both car and pedestrian traffic to access the proposed vehicle facility should be negligible on both the site and the surrounding neighborhood. Additionally, the site will remain well parked even after the fleet spaces are deducted from the overall provided parking space total, so the use of any existing spaces for the 20 fleet vehicles should not be an issue. The use of the site for a vehicle rental facility is both compatible and complementary as the existing shopping center is along the Las Vegas Boulevard South corridor and the proposed site would

allow for both residents and visitors to have convenient access to a rental car. Finally, staff finds the proposed vehicle rental facility would support Master Plan Policies 5.1.3 and 5.1.5 which support the adaptive reuse of existing shopping centers particularly for uses that support the existing economic bases, such as tourism, of the Las Vegas Valley. For these reasons, staff can support this request.

### **Staff Recommendation**

Approval.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Master Plan, Title 30, and/or the Nevada Revised Statutes.

### **PRELIMINARY STAFF CONDITIONS:**

#### **Comprehensive Planning**

- Applicant is advised within 2 years from the approval date the application must commence or the application will expire unless extended with approval of an extension of time; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; changes to the approved project will require a new land use application; and the applicant is solely responsible for ensuring compliance with all conditions and deadlines.

#### **Public Works - Development Review**

- No comment.

#### **Fire Prevention Bureau**

- No comment.

#### **Clark County Water Reclamation District (CCWRD)**

- Applicant is advised that the property is already connected to the CCWRD sewer system; if any existing plumbing fixtures are modified in the future, then additional capacity and connection fees will need to be addressed.
