  - adds a definition for “water park”;
  - allows a water park to obtain a liquor license for retail beer, wine and spirit-based products;
  - requires the liquor licensee to provide adequate security to ensure that minors are not served or permitted to consume alcoholic beverages anywhere on the premises;
  - requires that a separate general master license be obtained before the issuance of any liquor licenses; and
  - requires that businesses operated on the premises and/or owned by persons other than the owner of the water park be licensed separately as required by County Code.
