Why are you interested in becoming a Clark County Arts Plan – Art Committee Member?

I am both an architect who deeply cares about sustainability and stewardship of our environment and a faculty member at the UNLV College of Fine Arts who recognizes and values the important role that art may play in elevation the quality of the public realm in our community. For these two reasons I feel that serving as member of the Art Committee of Clark County is a wonderful opportunity to contribute both my passion and expertise to help make our public spaces a better environment for all of us to enjoy. I am excited to be considered for this committee and look forward to the opportunity of contributing to the advancement of public art in Clark County.
