

# Rural Alliance Advisory Committee (RAAC) Application

service integrity respect accountability excellence leadership

The RAAC consists of individuals that reside within a residential neighborhood in Clark County, with densities of 2 dwelling units per acre or less, areas designated with a rural neighborhood preservation overlay, or other spaces that are rural in nature and captured within the Clark County Master Plan. Members will offer input on issues that directly impact these areas. Members serve without compensation for two-year terms and attend regularly scheduled public meetings throughout the year.

### **List 3 issues impacting rural communities?**

1. Water. This is by far an issue that many neighbors in my community are talking about and are struggling with new regulations. negatively impacting our historic neighborhood. Being forced to remove grass through a threat of unreasonable fines, something that then causes mature landscaping to die and to cause high asphalt-to-green-spaces ratio increase.
2. Preserving the historic character of the communities together with lifestyle and quality of life people signed up for when purchasing properties in the rural communities.
3. Rezoning the land in the lights of the rapid growth of the city (land for development, high rise regulations, apartment complexes, stores, and churches).

### **Please list any boards or committees that you currently serve on:**

Currently, I don't serve on any boards or committees.

### **Why are you interested in becoming a member of the RAAC?**

Membership in the Rural Alliance Advisory Committee sparked my interest because of my deep concern for problems affecting rural communities. I care for the people that live within those communities and their well-being. I believe that being a part of the RAAC, I can be a involved in initiatives that address the needs of people living in those neighborhoods.
