BACKGROUND:

The Moapa Valley Television Maintenance District (District) was created on April 7, 1959, and now operates under NRS Chapter 318. The District is governed by a five-member (5-member) Board of Directors, and terms of the members are four years (4-years).

At the June 1, 2021, Clark County Board of County Commissioners (County Commission) meeting, the County Commission made appointments to the Board of Directors due to vacancies after the 2020 General Election. NRS 318.090 provides that the County Commission may appoint members until the next general election.

Todd Livingston submitted his resignation to the District’s Board of Directors on February 23, 2022. He was appointed in January 2022 for the remainder of the first two-years (2-years) of the new four-year (4-year) term vacated by Greg Winzenreid on November 2, 2021. Unforeseen circumstances precluded Mr. Livingston’s ability to accept the appointment.

At the March 1, 2022, District’s meeting, Art Villezcas was selected as the new Board member by the District’s Board of Directors. Art Villezcas will serve the remainder of the first two-years (2-years) of the new four-year (4-year) term vacated by Greg Winzenreid. The selection was transmitted to the County Commission for appointment.

The County Commission is asked to appoint Art Villezcas to serve on the Moapa Valley Television Maintenance District Board of Directors until the 2022 General Election.
