AMENDMENT NO. 1

EXHIBIT A

MENTAL HEALTH SERVICES FOR JUVENILES

SCOPE OF WORK

COUNTY is seeking comprehensive mental health services for Juveniles in COUNTY correctional facilities beginning at booking, throughout detainment and placement at Spring Mountain Youth Camp (SMYC). The Clark County Department of Juvenile Justice Services (DJJS) is a comprehensive public service agency that provides youth focused services to achieve a safe community by providing evidenced-based interventions, guidance, and control to youths ages 18 and younger. An essential component of interventions is the appropriateness of mental health services that meet the individual needs of youth.

Juveniles in correctional facilities may have a wide range of mental health issues including, but not limited to, anxiety disorders, mood disorders, post-traumatic stress disorder, psychotic disorders, substance use disorders and behavior disorders. Juveniles may possess co-existing and or co-occurring issues related to mental health and substance abuse.

Such services are requested to be provided at the DJJS Detention Center located at 651 N. Pecos Road, Las Vegas NV 89101 and SMYC located at 2400 Angel Peak PL, Las Vegas, NV 89124.

General Requirements:

1. **Mental Health Services.** PROVIDER shall provide mental health treatment to juveniles with acute, chronic, and general mental illness.
- A. The type of mental health care to be provided shall include but are not limited to the following:
 1. Suicide Risk Assessment
 2. Suicide Prevention
 3. Intake and Assessment
 4. Crisis Intervention
 5. Individual Therapy
 6. Psycho-Supportive Services
 7. Group Counseling
 8. Continuity of Care Planning

B. Mental Health Services in Detention Booking:

1. Booking Screening Review: PROVIDER shall ensure that a Qualified Mental Health Professional (QMHP) conducts face to face contact with all juveniles who have answered "yes" in any of the suicide and mental health domains of the Booking Screening.
 2. Assessment: An intake mental health screening shall be completed by a QMHP to determine mental health needs that include but are not limited to if a juvenile is currently a danger to self and/or others, has trauma history, trafficking risk, and substance abuse. If a juvenile is deemed to be a danger to themselves and/or others, the juvenile will be coded on the Family Tracs System and immediately placed on Suicide Watch. PROVIDER shall confirm with booking staff if juvenile meets criteria for detainment.
 3. If juvenile is not being detained and is scheduled for release, the QMHP is responsible for making contact with the juvenile's legal guardian to inform legal guardian of the information obtained through the mental health screening and provide legal guardian with community resources that include crisis intervention services. Community resources are to be provided to the legal guardian verbally.
- C. If a juvenile is determined to be in immediate danger to self and/or others, the QMHP will be responsible for assisting the legal guardian in facilitating an admission to a psychiatric facility and/or assisting in the arrangement of transporting juvenile to a hospital emergency room.
- Mental Health Services in Detention:

1. PROVIDER is responsible for reviewing all of the Massachusetts Youth Screening Instruments (MAYSI-2) that identify a warning or caution on any of the scales, the completion of the MAYSI-2 Assessment, and determining the mental health needs of juveniles in the detention facility.
2. Provider is responsible for ensuring that juveniles are placed on suicide watch and appropriately coded in the Family Tracs system if the assessment deems the youth to be at risk of danger to self and/or others.
3. PROVIDER is responsible for facilitating an admission to a licensed psychiatric hospital for juveniles whose psychiatric needs exceed the treatment capability of the facility.
4. PROVIDER is responsible for assessing juveniles who are on suicide watch daily to determine if juvenile continues to meet suicide watch criteria and/or could step down.
5. PROVIDER shall provide suicide risk assessment, suicide prevention, crisis intervention, and intake/assessment seven (7) days a week.
6. PROVIDER shall provide all other therapeutic services seven (7) days a week as outlined under Mental Health Services letter A.
7. PROVIDER shall provide continuity of care to juveniles committed to the state or being released back to the child welfare agency.

D. Mental Health Services at Spring Mountain Youth Camp:

1. PROVIDER is responsible for reviewing all relevant clinical and nonclinical documentation related to assigned youth including Court Orders.
2. PROVIDER is responsible for ensuring youth assigned are not already engaged in therapeutic services from an outside community provider. If a youth assigned is engaged in therapeutic services with a community provider, PROVIDER shall not provide services and close the referral.
3. PROVIDER is responsible for completing a comprehensive Mental Health Assessment on youth assigned if one has not already been completed. If a Mental Health Assessment has been completed within 12 months, PROVIDER is responsible for completing an update.
4. PROVIDER is responsible for providing youth placed at SMYC with individual therapy that addresses the needs and strengths identified in the comprehensive Mental Health Assessment.
5. PROVIDER is responsible for completing a Treatment Plan with measurable goals within 5 days of completing and/or updating the comprehensive Mental Health Assessment.
6. PROVIDER is responsible for ensuring there is parent engagement throughout the treatment intervention and discharge planning.
7. PROVIDER is responsible for ensuring the assigned clinician providing direct services receives clinical supervision on a weekly basis specifically to address the progress or needs of SMYC youth.
8. PROVIDER is responsible for ensuring therapeutic services are conducted in-person
9. PROVIDER is responsible for providing a discharge summary for youth discharged from SMYC that include clinical recommendations if further treatment is needed. This summary would be required prior to youth's discharge from SMYC.

E. Standards for Mental Health Services

1. PROVIDER shall provide mental health and services that are evidence based and consistent with the needs of community while emphasizing identification, prevention, early intervention, and voluntary treatment of mental health disorders with the goal of reducing the frequency and duration of episodes of serious mental illness.
 - a. Evidence based practice is the utilization of treatment strategies and interventions for which observable, objective data exist demonstrating positive effects and proven to work.
2. PROVIDER agrees that its employees shall have a variety of assessment skills, training, expertise, and licensing to conduct intakes and assessments; suicide risk assessment, crisis intervention, safety planning, individual and group counseling; develop and carry out program discharge and aftercare plans; case management services that include, but are not limited to preparing written assessments, treatment plans and monitoring and documenting progress in relation to treatment plans; work with juveniles, probation officers, and Health Care Services to develop goals and objectives and making adjustments to treatment provided.

3. PROVIDER agrees that all QMHP's employed or retained to provide mental health services under this Contract shall have at a minimum a Master's Degree in counseling, social work, or a related field and have one or more of the following licenses and/or clinical internship licenses: LCADC (Licensed Clinical Alcohol and Drug Counselor), LCSW (Licensed Clinical Social Worker), LMFT (Licensed Marriage and Family Therapist), or LCPC (Licensed Clinical Professional Counselor) as approved by their respective boards.
4. PROVIDER agrees that clinical interns are clinically supervised by a qualified licensed clinician employed by PROVIDER.
