BACKGROUND:

The claim is a result of a four-vehicle accident on September 25, 2019, whereby the Clark County driver rear ended the first vehicle, which was pushed into Mr. Glade Kearns Cox's vehicle, then pushed to the third vehicle. The property damage for his vehicle was \$10,778.56, and the total cost for his medical treatment was \$48,235.20.

Through negotiations with legal counsel for the claimant, the claimant has agreed to accept \$85,000.00 in settlement of the bodily injury claim to avoid any further costs and legal expenses of possible litigation in this case. If the settlement is approved, the County would also avoid costs and expenses of any future litigation.

The proposed settlement has been reviewed and approved by the Civil Division of the District Attorney's Office and the Clark County Liability Pool Committee members.
