Have you attended a TAB or CAC meeting in Clark County? Yes No

If so, which one and what was your experience?

I attended the October 2022 TAB as well as one over the summer of 2022 (I do not recall the month). I had a great experience when I attended those meetings. I believe they had good town representation between the board and those in attendance. The speakers that were there on behalf of the housing developments, NV Energy and the solar companies were very polite and for the most part responsive to questions.

Please list any boards or committees that you currently serve on:

Why are you interested in becoming a member of your TAB or CAC?

Being a fairly new resident in the community I would very much like to become an active part of it. Working with other residents to keep the community the way it is.

My name is Traci Hess, and I am a current resident of Indian Springs, Nevada. I am interested in becoming part of the Indian Springs Town Advisory Board. Being a resident of Indian Springs for approximately a year now I have a great interest in becoming an active part of the community.

I relocated to Indian Springs to get away from the chaos of Las Vegas. I find the small-town life suits me much better. Many of the Indian Springs residents have lived here for years or have had family that have been here for even decades and there is a goal to keep the small-town life and feel the way it is. I would very much like the opportunity to be able to continue getting to know the long-time residents as well as many of the newcomers like myself and my family.

Even in the short-time I have been here I have found the community very welcoming and have gotten involved as a volunteer at the Indian Springs library. I find my volunteer time very rewarding and look forward to other areas in which I can help to serve the community.

Sincerely,
Traci Hess
