Atten: Opioid Task Force

Behavioral Health Group/ Center for Behavioral Health offers Medication- Assisted Treatment offering all FDA approved medications for individuals with an opioid use disorder. As the Regional Director we take pride in taking part in the community by providing effective evidence-based treatment. Our focus is individualized care, focusing on harm reduction and a road to recovery. With the goal of decreasing opioid fatalities, identifying opportunities for prevention and promoting recovery. Behavioral Health Group focuses on individualized care to focus on patient's need to promote a healthy recovery for the individual and the community.

The Opioid Task Force would allow Behavioral Health Group identify opportunities for prevention to promote recovery.

I look forward to speaking with you.

Sincerely,

Stephanie L. Mapula-Magdaleno

Regional Director- Nevada
