Have you attended a TAB or CAC meeting in Clark County? Yes  No

If so, which one and what was your experience?

I have attended several Paradise TAB meetings, and they have opened my eyes to the planning and approval process in Clark County. I appreciate the hard work the TAB board does to ensure that the challenges and issues that are brought before them are addressed and thoughtfully managed.

Please list any boards or committees that you currently serve on:

I am not currently serving on any boards, but I have previously contributed as a member of the party planning committee at my current job. I served a two-year mission in South America, where I led groups of 2 to 12 missionaries in daily activities. In college, I led a multistate construction competition team. I was also actively involved in student council for two years in high school, where I helped plan major events such as homecoming and prom.

Why are you interested in becoming a member of your TAB or CAC?

I am eager to join the Paradise Town Advisory Board to become more engaged in my community. I have lived in Las Vegas for over four years, with more than three of those years as a homeowner. I believe it is important for everyone to actively contribute to improving their community and giving back in any way they can. I would like to support the board in fulfilling its responsibilities to help our community thrive. With my professional expertise and fluency in Spanish, I am confident I can bring valuable skills to the board.
