Task Order RP. A0324001 made on this Twenty Fourth day of July, 2025, Between CLARK COUNTY, NEVADA, hereinafter referred to as "COUNTY", and Design Vision, Inc. dba SLA Land Architects located in Las Vegas, Nevada, hereinafter referred to as "CONSULTANT" for the following PROJECT:

#### **James Regional Sports Complex: Softball Complex APN# 178-09-501-011**

The program for the Softball Complex at the James Regional Sports Complex shall be developed on ~43 acres east of Cimarron Road adjacent to Sierra Vista High School and North of Robindale Road to include (8) new Softball fields (7) standard and (1) championship field, dedicated warmup areas for each field, a shaded tree plaza and turf areas for spectators and teams, concrete pathways connecting parking lots and the existing walking trail to the complex. Multiple picnic pavilions and open turf areas for spectators and teams with a centralized entry plaza intended for awards. The parking lot areas shall allow for bus parking and a centralized drop-off/pick-up area and a designated area for food vendor trucks near the central plaza. Landscaping in the parking lot is intended to break up the large asphalt areas and reduce the urban heat island effect. The program also requires the integration of educational/interpretive signage (along the pathways) and a shaded playground area.

#### **Design Notice to Proceed**

This Task Order requires a valid Purchase Order to be in full affect.

#### **Initial Information**

Unless otherwise provided in Exhibit A to this Task Order Authorization. This Task Order Authorization is based on the information set forth below including the Attachments and Exhibits.

The Professional Services specifically set forth in this Task Order Authorization shall be deemed to be Basic Services and/or Supplemental Services for the purposes under this Task Order Authorization and shall not require additional compensation.

COUNTY and the CONSULTANT may rely on the Initial Information (Exhibit A). Both parties, however, recognize that such information may materially change, and in that event, the COUNTY and the CONSULTANT shall appropriately adjust the schedule. Their CONSULTANT'S services and the CONSULTANT'S compensation. The COUNTY shall adjust the COUNYT'S budget for the Cost of the Work and the COUNTY'S anticipated design and construction milestones as necessary to accommodate material change in the Initial Information.

#### **Basic Services under this Task Order Authorization**

The CONSULTANT'S services under this Task Order are as described: **the Basic Services and Supplemental Services as described herein and in Exhibit B and D.**

### COUNTY'S Program for the subject Project:

#### ***James Regional Sports Complex: Softball Complex APN# 178-09-501-011***

The program for the Softball Complex at the James Regional Sports Complex shall be developed on ~43 acres east of Cimarron Road adjacent to Sierra Vista High School and North of Robindale Road to include (8) new Softball fields (7 standard and 1 championship field), dedicated warmup areas for each field, a shaded tree plaza and turf areas for spectators and teams, concrete pathways connecting parking lots and the existing walking trail to the complex. Multiple picnic pavilions and open turf areas for spectators and teams with a centralized entry plaza intended for awards. The parking lot areas shall allow for bus parking and a centralized drop-off/pick-up area and a designated area for food vendor trucks near the central plaza. Landscaping in the parking lot is intended to break up the large asphalt areas and reduce the urban heat island effect. The program also requires the integration of educational/interpretive signage (along the pathways) and a shaded playground area.

Off-site improvements are anticipated for this project as shown and approved with the Design Review approval.

### **Projects physical characteristics:**

#### Fields:

The Championship field should accommodate three levels of play (60, 70 and 80' base paths), 300' center field fence, a 16' dirt or synthetic warning track, dirt or synthetic infield and bullpens, synthetic turf outfield, and concrete dugouts (shaded). The backstop should be a min. of 30' with a concrete/CMU wall and fabric safety netting dugout to dugout. The championship field should incorporate a digital scoreboard (center field) and announcer/scorer booth integral to the covered stadium seating. Field lighting to be by Musco Lighting as an Owner furnished product (design in consultation with Owner). Fence screening and covered dugouts to be per the County Standard.

The seven (7) standard play fields should also accommodate three levels of play (60, 70 and 80' base paths), 300' center field fence, a 16' dirt or synthetic warning track, dirt or synthetic infields and bullpens, synthetic turf outfields, and concrete dugouts (shaded). The backstop should be a min. of 30' with a concrete/CMU wall and but with standard chain-link fencing dugout to dugout. Field lighting to be by Musco Lighting as an Owner furnished product (design in consultation with Owner). Fence screening and covered dugouts to be per the County Standard. As an alternative, the design should accommodate infrastructure for a digital scoreboard and PA system to an area behind the backstop.

Each of the fields should have access to a dedicated warm up area with a shade shelter for each warmup area. The warmup area should be fenced or otherwise concealed.

#### Shaded pavilions and spectator areas:

Each of the field groupings should be within reasonable distance to restroom facilities, shaded turf areas, and picnic pavilions. Each of the fields should feature shaded spectator bleachers, two (2) for each field. Provide two (2) separate areas for open turf and shaded picnic pavilions for the purpose of tables and benches. One shaded playground area to service the ages of 5-12.

#### Complex amenities:

One centralized plaza to accommodate award ceremonies and announcement gatherings. Concession stand (1) and restroom buildings (2), fenced equipment yard, field and park rule signage at each field

## Exhibit A - INITIAL INFORMATION

grouping. Additionally, design of a minimum of eight (8) educational or interpretive signs shall be provided which are to be strategically located along pathways. As an alternative, the design should include a separate building for Tournament Officials (breakroom areas and locker room).

The complex shall include a minimum of two (2) restroom buildings (one small, and one large with a concession stand, each with a storage area), a dedicated area for food truck vendors central to the centralized Plaza to accommodate a minimum of four (4) trucks. The parking requirements for the complex should be adequate to accommodate the eight (8) fields on game days while providing dedicated drop-off/pick-up zones.

### **COUNTY'S budget for the Cost of the Work:**

**Total construction estimated cost \$30,000,000**

On-Site Buildings, Shade Structures, Playground: \$5,000,000

On-Site Improvements: \$22,200,000

Off-Site Improvements: \$2,800,000 (under separate Contract)

### **COUNTY'S anticipated design and construction milestone dates: (\*\* indicates Contractual Dates)**

\*\* Schedule for the performance of the CONSULTANTS services: 10 calendar days from receipt of TO

Owner's Anticipated 30% Design Development Phase milestone date, if any: 9/3/25

Owner's Anticipated 60% Construction Document Phase milestone date, if any: 11/3/25

Owner's Anticipated 95% Construction Document Phase milestone date, if any: 2/9/26

\*\* Permit submission to AHJ milestone dates, if any: 2/17/26

\*\* Bid Package to Purchasing and Contracts: 2/24/26

Owner's Anticipated Construction Commencement date: 5/25/26

\*\* Substantial Completion date(s): 8/17/27

Owner's Anticipated Final Completion date: 10/15/27

### **The anticipated procurement and delivery method for the project is *Design Bid Build***

The COUNTY'S anticipated Sustainable Objective for the Project is to prioritize environmental stewardship, energy efficiency, and sustainable resource use. The goal is to integrate green building practices, reduce the carbon footprint, and ensure long-term sustainability using eco-friendly materials, energy-efficient systems, water conservation measures, and designs that promote accessibility, health, and well-being for occupants and the community.

**SCOPE OF CONSULTANTS BASIC SERVICES**

The CONSULTANTS Basic Services consist of those described below and include usual and customary architectural, landscape architecture, structural, mechanical, and electrical engineering services. Services not set forth below are Supplemental Services or Additional Services.

The CONSULTANT shall not be responsible for COUNTY's directive or substitution made or given without the CONSULTANTS written approval.

**I. General**

- a. CONSULTANT shall review the program and other information furnished by the COUNTY, and shall review and be familiar with laws, codes, and regulations applicable to the CONSULTANTS services.
- b. CONSULTANT shall manage the CONSULTANTS services, consult with the COUNTY and End-User, research applicable design criteria, attend and facilitate Project Meetings (Design, Pre-Construction, Construction and Closeout), communicate with members of the Project team, and report progress to the COUNTY on a regular basis as requested time to time by the COUNTY.
- c. CONSULTANT shall utilize the COUNTY'S project management platform; ProCore.
- d. CONSULTANT shall coordinate its services with those services provided by the COUNTY and COUNTY's consultants. The CONSULTANT shall be entitled to rely on the accuracy and completeness of the services and information furnished by the COUNTY and COUNTY's consultants. The CONSULTANT shall provide prompt written notice to the COUNTY if and when the CONSULTANT becomes aware of any error, omission, or inconsistency in such services or information.
- e. The CONSULTANT shall contact governmental authorities required to approve the Construction Documents and entities providing utility services to the project. The CONSULTANT shall properly and timely respond to applicable design requirements imposed by those authorities and entities.
- f. The CONSULTANT shall assist the COUNTY in connection with the COUNTY'S responsibility for filing documents required for the approval of those authorities and entities.
- g. CONSULTANT shall consider sustainable design alternatives, such as material choices and building orientation, together with other considerations based on program and aesthetics, in developing a design that is consistent with the COUNTYS program, schedule, and budget for the COST of the Work. The COUNTY may obtain more advance sustainable design services as a Supplemental Service or Additional Service.
- h. CONSULTANT shall consider the value of alternative materials, building systems and equipment, together with other considerations based on program and aesthesis, in developing a design for the Project that is consistent with the COUNTYS program, schedule, and budget for the Cost of the Work.
- i. CONSULTANT shall submit to the COUNTY an estimate of the Cost of the Work. The CONSULTANT and its consultants shall participate in the value engineering review meetings with the COUNTY, as deemed necessary to bring the Project back within the COUNTY's budget for the Cost of the Work.

**Exhibit B**  
**SCOPE OF CONSULTANTS BASIC SERVICES**

- j. CONSULTANT shall prepare a preliminary evaluation, as necessary, of the COUNTY's program, schedule, budget for Cost of Work, the proposed procurement and delivery method, and other Initial Information, each in terms of the other, to ascertain the requirements of the Project. The CONSULTANT shall notify the COUNTY of any inconsistencies discovered in the information, and other information or consulting services that may be reasonably needed for the Project.
- k. CONSULTANT shall present its preliminary evaluation to the COUNTY and shall discuss with the COUNTY alternative approaches to design and construction of the Project, if necessary. The CONSULTANT shall reach an understanding with the COUNTY regarding the requirements of the Project.
- l. Based on the Project requirements agreed upon with the COUNTY, the CONSULTANT shall prepare and present, for the COUNTY's written approval, a preliminary design illustrating the scale and relationship of the Project components, as necessary to the requirements of the PROJECT.

**II. Project Schedule**

- a. The COUNTY has provided the COUNTY's anticipated design and construction milestone dates to the CONSULTANT. Within ten (10) calendar days of the Task Order, the CONSULTANT shall submit for the written approval of the COUNTY a schedule for the performance of the CONSULTANTS services to meet the COUNTY's milestone dates. The schedule initially shall include the anticipated dates for the commencement of construction and for Substantial Completion of the Work set forth in Exhibit A - Initial Information for Task Order. The schedule shall include allowances for periods of time required for review by the COUNTY, for the performance of the COUNTY'S consultants, and for approval of submissions by authorities having jurisdiction over the Project. Once approved by the COUNTY, time limits established by the schedule shall not, except for reasonable cause, be exceeded by the CONSULTANT or COUNTY. With the prior written approval of the COUNTY, the CONSULTANT shall adjust the schedule, if necessary, as the Project proceeds until the commencement of construction.
- b. The CONSULTANT will utilize the COUNTY's established Baseline Schedule template structure to assure adequate planning, scheduling, and reporting during execution of the design and related activities so they may be executed in an orderly and expeditious manner to meet the COUNTY'S milestone dates set forth in Exhibit A - Initial Information for Task Order.
- c. The CONSUTANT shall provide monthly updates, which may coincide with monthly progress invoices, for actualized dates for activities that have started and/or completed, expected completion dates for activities in progress, and proposed durations and sequence for the remaining activities in the Project Schedule. The Project Schedule Update shall reflect CONSULTANT'S plan for completing the remaining work described in the Task Order.
- d. Periodic review of the performance of the CONSULTANTS services to comply with the Owner's milestone dates.

**Exhibit B**  
**SCOPE OF CONSULTANTS BASIC SERVICES**

**III. Progress Meetings**

- a. The CONSULTANT shall conduct weekly or bi-weekly progress meetings set forth in Exhibit A - Initial Information for Task Order. Progress meetings are intended to keep the project on schedule, to review progress, and to solve or avert potential problems. Minutes of the meetings will be recorded on the COUNTY'S ProCore platform and will be distributed to the attendees by the end of the next business day. Revisions or corrections are to be re-distributed within two working days of receiving request(s) for correction. Participants at progress meetings will be familiar with Project and authorized to conclude matters relating to the Work.
- b. CONSULTANT shall present and discuss the design progress since the last design meeting; be able to explain where each activity is in relation to the CONSULTANT's approved schedule for the performance of the services, whether on time or ahead or behind schedule; determine how the activities behind schedule will be expedited; secure commitments from parties involved to do so; discuss whether schedule revisions are required to ensure that current and subsequent activities will be completed within the approved schedule.
- c. The general agenda of these progress meetings are to discuss items of significance, including, but not limited to the following:
  - i. Review and correct or approve minutes of previous progress meeting.
  - ii. Review other items of significance that could affect progress.
  - iii. Review current status and 30 calendar day work plan.
  - iv. Review of near-term deliverables.
  - v. Include other topics for discussion as appropriate to status the Project.
  - vi. Initiate whatever actions are necessary to resolve impediments to adherence of the Project schedule.

  - d. Scope of Work
    - i. Design Narratives
    - ii. Design Concept(s)
  - e. Estimated Budget
  - f. Procurement Schedule

**V. Entitlement/Land Use Phase Services**

- a. This phase will be completed by a separate Task Order, as necessary, by either the CONSULTANT or by COUNTY's CONSULTANT.

**Exhibit B**  
**SCOPE OF CONSULTANTS BASIC SERVICES**

- b. Work Product: The work product(s) required by this phase of work include but are not limited to the following:
  - i. Results of analysis and research
  - ii. Preliminary development plan and cost estimate
  - iii. Land use submittals, applications and approvals

**VI. Schematic Design Phase Services**

- a. Based on the COUNTY'S approval of the preliminary design, the CONSULTANT shall prepare Schematic Design Documents for the COUNTY's written approval. The Schematic Design Documents shall consist of drawings and other documents including:
  - i. A site plan, if necessary,
  - ii. Preliminary building plans, sections, and elevations
  - iii. Combination of study models, sketches and digital representations, if applicable,
  - iv. Preliminary selections of major building systems and construction materials shall be noted on the drawings or described in a design narrative.
- b. Specification Narrative and Outline for anticipated CSI Master Format Divisions.
- c. Estimate of the Cost of the Work
- d. This will be accomplished by submission of: 15% Plan set to COUNTY's Representative
- e. Unless indicated otherwise in the Task Order.

**VII. Design Development Phase Services**

- a. Based on the COUNTYS approval of the Schematic Design Documents, and on the COUNTY's written authorization of any adjustments in the Project requirements or the budget for the Costs of the Work, the CONSULTANT shall prepare Design Development Documents for the COUNTYS written approval. The Design Development Documents shall illustrate and describe the development of the approved Schematic Design Documents and shall consist of drawings and other documents including:
  - i. Site plan, if applicable,
  - ii. Plans, sections, elevations, typical construction details
  - iii. Diagrammatic layouts of building systems to fix and describe the size and character of the Project as to the architectural, structural, mechanical, electrical systems and other appropriate elements.
  - iv. Outline specifications that identify major materials and systems and establish, in general, their quality levels.
  - v. Manufacturer's cut sheets for all architectural finish materials, both interior and exterior; including samples for significant interior and exterior materials.
  - vi. Manufacturer's cut sheets for all lighting and plumbing fixtures and trim.
  - vii. Equipment schedules with sizing information, one-line diagrams, trunk utility sizes for all mechanical, electrical and fire protection systems, and preliminary sizing for all typical structural components.
- b. Specification draft(s) for major components, materials, equipment.
  - i. submission of Specifications should indicate progression in the development of the specifications.

**Exhibit B**  
**SCOPE OF CONSULTANTS BASIC SERVICES**

- c. Submit update to the estimate of the Cost of the Work within 10 calendar days of submission of Plan set submission.
- d. This will be accomplished in one submission: 30% set to COUNTY's Representative.
- e. Unless indicated otherwise in the Task Order.
- f. CONSULTANT shall submit the Design Development Documents to the COUNTY, advise the COUNTY of any adjustments to the estimate of the Cost of the Work, and request the COUNTY's written approval. As necessary or appropriate, the CONSULTANT and its consultants shall participate in value engineering review meetings with the COUNTY.

**VIII. Construction Documents Phase Services**

- a. Based on the COUNTY's approval of the Design Development Documents, and on the COUNTY's written authorization of any adjustments in the Project requirements or the budget for the Cost of the Work, the CONSULTANT shall prepare Construction Documents for the COUNTY's written approval. The Construction Documents shall illustrate and describe the development of the approved Design Development Documents and shall consist of:
  - i. Drawings and Specifications setting forth in detail the quality levels and performance criteria of materials and systems and other requirements for the construction of the Work.
  - ii. Final Version of Project Specifications developed to articulate the COUNTY's desired product, quality, performance, characteristic, and warranty requirements.
- b. This will be accomplished in two separate submissions of: and 60% and 95% plan set(s) to COUNTY's Representative and submission to Authority having Jurisdiction, with written approval by COUNTY
- c. The COUNTY and CONSULTANT acknowledge that, in order to perform the Work, the Contractor will provide additional information, including Shop Drawings, Product Data, Samples and other similar submittals, which the CONSULTANT shall review.
- d. CONSULTANT shall incorporate the design requirements of governmental authorities having jurisdictions over the Project into the Construction Documents.
- e. CONSULTANT shall submit the Construction Documents to the COUNTY, advise the COUNTY of any adjustments to the estimate of the Cost of the Work.

**IX. Procurement Phase Services**

- a. Following the COUNTY's approval of the Construction Documents, the COUNTY will incorporate them into the Bidding Documents used by the COUNTY to advertise for bid. The CONSULTANT shall assist the COUNTY, if and to the extent requested by the COUNTY, in confirming the responsiveness of bids and/or determining the successful bid.

**X. Competitive Bidding**

- a. Bidding Documents shall consist of the Bidding Documents, bidding requirements and the proposed Contract Document.

**Exhibit B**  
**SCOPE OF CONSULTANTS BASIC SERVICES**

- b. CONSULTANT shall assist the COUNTY in bidding the Project by:
  - i. Attend and participate in a pre-bid conference and job walk for prospective bidders; and
  - ii. Preparing responses to questions from prospective bidders and providing clarifications and interpretations of the Bidding Documents, with the written approval of the COUNTY, for distribution to all prospective bidders in the form of addenda through the COUNTYS platform.
  - iii. The CONSULTANT shall, prior to the Contractor's Notice to Proceed, correct, revise, update and/or modify the Bidding Documents, as necessary, to reflect all bid addenda revisions and clarifications. CONSULTANT shall provide electronic pdf files of Construction Sets to match the revised approved building plans.
- c. COUNTY will provide electronic copies of the final project manual to CONSULTANT.

**XI. Submittals**

- a. The CONSULTANT shall review the contractor's submittal schedule and shall not unreasonably delay or withhold approval of the schedule. The CONSULTANT's actions in reviewing submittals shall be taken in accordance with the approval submittal schedule or in the absence of an approved submittal schedule with reasonable promptness while allowing sufficient time in the CONSULTANTS professional judgment to permit adequate review.
- b. CONSULTANT shall review and approve or take other appropriate action upon the contractor's submittals such as shop drawings product data and samples but only for the limited purposes of checking for conformance with information given and the design concept expressed in the contract documents review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions quantities and installation or performance of equipment or systems which are the contractors responsibility.
- c. The CONSULTANT shall provide prompt written notice to the COUNTY however if the CONSULTANT becomes aware of any error, omission or inconsistency in such submittals or information the CONSULTANT's review shall not constitute approval of safety precautions or construction means methods techniques sequences or procedures the design consultants approval of a specific item shall not indicate approval of any assembly of which the item is a component.
- d. If the contract documents specifically require the contractor to provide professional design services or certifications by design professional related to systems, materials, or equipment, the consultant shall specify the appropriate performance and design criteria that such services must satisfy. The consultant shall review and take appropriate action on shop drawings and other submittals related to the work designed or certified by the contractor's design professional, provided that submittals bear such professional's seal and signature when submitted to the CONSULTANT. The CONSULTANT'S review shall be for limited purposes of checking for conformance with the information given and the design concept expressed in the contract documents. The CONSULTANT shall be entitled to rely on the adequacy and accuracy of the services, certifications, and approvals performed or provided by such professionals.

**Exhibit B**  
**SCOPE OF CONSULTANTS BASIC SERVICES**

- e. The CONSULTANT shall review and respond to requests for information about the contract documents. Requests for information shall include, at a minimum, a detailed written statement that indicates the specified drawings or specifications in need of clarification and the nature of the clarification requested. The CONSULTANT'S response to such request shall be made in writing within any time limit agreed upon, or otherwise with reasonable promptness. If appropriate, and with the COUNTY's prior written approval, the consultant shall prepare and issue supplemental drawings and specifications in response to the request for information.
- f. CONSULTANT shall maintain the record of submittals and copies of submittals supplied by the contractor in accordance with the requirements of the contract documents.

**XII. Construction Administrative Phase Services**

- a. CONSULTANT shall provide administration of the Contract between the COUNTY and the Contractor as set forth below and in the General Conditions of the Contract for Construction, as modified by the COUNTY.
- b. CONSULTANT shall advise and consult with the COUNTY during the Construction Phase.
- c. The CONSULTANT shall review all Submittals required in the Contract Documents.
- d. The CONSULTANT shall administer all Construction Progress Meetings and record and distribute all meeting minutes.
- e. The CONSULTANT shall have authority to act on behalf of the COUNTY only to the extent provided in this AGREEMENT.
- f. The CONSULTANT shall review the schedule of values submitted by the Contractor to assure that the Contract Sum is allocated properly to the various portions of the Work. The schedule of values shall be in such a form and supported by such data to substantiate its accuracy as the CONSULTANT and the COUNTY may require. This Schedule, if and when approved by the CONSULTANT and the COUNTY in writing, shall be used as a basis for reviewing the Contractor's Applications for Payment.
- g. The CONSULTANT shall visit the site at a minimum of once per week, may coincide with the scheduled progress meeting, or as appropriate to the stage of construction or as otherwise agreed by COUNTY and CONSULTANT in writing; however, the taking, production and distribution of the progress meeting minutes shall be the responsibility of the CONSULTANT. The site visits are to familiarize CONSULTANT with the progress and quality of the Work completed and to determine in general if the Work is being performed in a manner that when completed will be in accordance with the Contract Documents. On the basis of the on-site observations, CONSULTANT shall keep COUNTY informed of the progress and quality of Work and shall inform COUNTY of errors and omissions in the Work. Each site visit shall be accompanied with a Site Observation Report within one day of the site visit.
- h. The CONSULTANT shall prepare change orders and construction change directives, with supporting documentation and data as deemed necessary by CONSULTANT for OWNER'S approval and execution in accordance with the Contract Documents, subject to the current unencumbered appropriations of the Project, and may authorize minor changes in the Work not involving an adjustment in the contract sum or an extension of the contract time and which are not inconsistent with the intent of the Contract

Documents. CONSULTANT shall also review change order costs and make recommendations to COUNTY, sign change orders, and issue responses to Request(s) for Information (RFI).

- i. The CONSULTANT shall interpret and decide matters concerning performance of the Construction Contractor under the requirements of the Contract Documents on request of COUNTY. CONSULTANT'S response to such requests shall be made with reasonable promptness and within time limits agreed upon.
- j. Interpretations and decisions of CONSULTANT shall be consistent with the intent of and reasonably inferable from the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and initial decisions, CONSULTANT, shall not show partiality toward any party.
- k. The CONSULTANT shall render written decisions within a reasonable time, but not to exceed seven (7) calendar days on all claims, disputes or other matters in question, including those relating to the execution or progress of the Work as provided in the Contract Documents.
- l. The CONSULTANT shall be responsible for the CONSULTANTS negligent acts or omissions, but shall not have control over or charge of, and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the Work.
- m. The CONSULTANT shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences, or procedures, or for safety precautions and programs in connection with the Work, nor shall the CONSULTANT be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents.
- n. The CONSULTANT'S responsibility to provide Construction Phase Services commences with the award of the Contract for Construction and terminates on the date the CONSULTANT issues, with the written approval of the COUNTY, the final Certification of Payment.

**XIII. Evaluations of the Work**

- a. CONSULTANT and its consultants shall each visit the site and otherwise at intervals appropriate to the stage of construction to become generally familiar with the progress and quality of the portion of Work completed, and to determine, in general, if the Work observed is being performed in accordance with the Contract Documents. However, the CONSULTANT shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the CONSULTANT shall keep the COUNTY informed about the progress and quality of the portions of Work completed, and promptly report in writing to the COUNTY known deviations from the Contract Documents, known deviations from the most recent construction schedule submitted by the Contractor and defects and deficiencies observed in the Work.
- b. CONSULTANT has the authority and responsibility to reject Work that does not conform to the Contract Documents. Whenever the CONSULTANT considers it necessary or advisable, the CONSULTANT shall have the authority and responsibility to require

inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether the Work is fabricated, installed or completed. However, neither this authority of the CONSULTANT nor a decision made in good faith either to exercise or not exercise such authority shall give rise to a duty or responsibility of the CONSULTANT to the Contractor, Subcontractors, suppliers, their agents or employees, or other persons or entities performing portions of the Work.

- c. CONSULTANT shall interpret matters concerning performance under, and requirements of, the Contract Documents on written request of either the COUNTY or the Contractor. The CONSULTANT's response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.
- d. Interpretations of the CONSULTANTS shall be consistent with the intent or, and reasonably inferable from, the Contract Documents and shall be in writing or in a form of drawings. When making such interpretations, the CONSULTANT shall endeavor to secure faithful performance by both the COUNTY and Contractor, shall not show impartiality to either, and shall not be liable for results of interpretations rendered reasonably in the CONSULTANTS professional judgement and in good faith.
- e. Upon substantial completion of the Project, or if COUNTY elects to occupy the Project or any portion thereof prior to the final completion of the Work by the Construction Contractor, upon 48 hours' notice by COUNTY, both CONSULTANT and it's consultants shall assist in conducting an on-site observation of the Project with the COUNTY, the Construction Contractor and both CONSULTANT and it's consultants shall assist in the preparation of a Punch List, report to COUNTY, listing all deficiencies and repairs. CONSULTANT shall attend a follow-up on-site observation, which shall be conducted to confirm that all deficiencies and repairs were corrected.

**XIV. Certifications for Payment to Contractor**

- a. CONSULTANT shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The CONSULTANT's certification for payment shall constitute a representation to the COUNTY, based in the CONSULTANT's evaluation of the Work as indicated above and on the data comprising the Contractor's Application for Payment, that, to the best of the CONSULTANTS knowledge, information and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractor is entitled to payment in the amount certified. The foregoing representations are subject to an evaluation of the Work for conformance with Contract Documents up Substantial Completion, results of subsequent tests and inspections, correction of minor deviations from the Contract Documents prior to completion, and specific qualifications expressed in writing to the COUNTY by the CONSULTANT.
- b. The issuance of a certificate for payment shall not be representation that the consultant has made exhaustive or continuous on-site inspections to check the quality or quantity of the work reviewed construction means methods techniques sequences or procedures reviewed copies of requisitions received from the subcontractors and suppliers and other data requested by the COUNTY to substantiate the contractors right to payment

or ascertain how or for what purposes the contractor has used money previously paid on an account of the contract sum.

- c. Consultant shall maintain a record of applications and certificates for payment.

**XV. Changes in the Work**

- a. CONSULTANT may order minor changes in the work that are consistent with the intent of the contract documents and do not involve an adjustment the contracts or an extension of the contract time. The CONSULTANT shall review with the COUNTY and all other changes in the work proposed by the contractor and advise the COUNTY regarding their scope, cost, and any adjustment in time. The CONSULTANT shall prepare change orders and construction change directives for the COUNTY's written approval and execution in accordance with the contract documents.
- b. Consultant shall maintain records relative to changes in the work.

**XVI. Project Completion**

- a. Consultant shall conduct inspections to determine the actual date or dates of substantial completion and the date of the final completion; issue certificates of substantial completion; forward to the COUNTY, for the COUNTYs review and records, written warranties and related documents required by the contract documents and received from the contractor; and with the COUNTY'S prior written approval, issue a final certificate for payment based upon the final inspection indicating that the work complies with the requirements of the contract documents.
- b. CONSULTANT'S inspections to be conducted with the COUNTY to check conformance of the work with the requirements of the contract documents and to verify the accuracy and completeness of the list submitted by the contractor of work completed or corrected.
- c. When substantial completion has been achieved, the CONSULTANT shall inform the COUNTY about the balance of the contract sum remaining to be paid the contractor, including the amount to be retained from the contract sum, if any, for final completion or correction of the work.
- d. The CONSULTANT shall forward to the COUNTY the following information received from the contractor; consent of security or securities if any, to reduction in or partial release of retainage or making final payment; affidavits, receipts, releases, and waivers of liens, or bonds indemnifying the COUNTY against liens; and any other documentation required of the contractor under the contract documents.
- e. Upon request of the COUNTY, and prior to the expiration of one year from the date substantial completion, the CONSULTANT shall, without additional compensation, conduct a minimum of two meetings with the COUNTY and the end-user to review the facility operations and performance as well as participate in the one-year warranty walk.
