Dear Commissioners,

My name is Dustin Swaggerty, and I am writing to express my interest in serving on the Spring Valley Town Advisory Board. As a resident of Spring Valley and the owner of Swagg Roofing, I am deeply invested in the growth, safety, and well-being of our community.

Through my experience as a small business owner in the construction and roofing industry, I have developed a strong understanding of local development issues, permitting processes, and the importance of maintaining infrastructure that supports both residents and businesses. I believe these insights would allow me to contribute meaningfully to discussions regarding land use, community development, and neighborhood improvement projects within Spring Valley.

Beyond my professional background, I am passionate about fostering responsible growth, supporting local businesses, and ensuring that our community's character and quality of life are preserved as we continue to develop. I am committed to listening to residents' concerns and working collaboratively with board members and county officials to address them effectively.

It would be an honor to serve the residents of Spring Valley in this capacity. Thank you for considering my application. I would welcome the opportunity to discuss how my experience and dedication align with the goals of the Spring Valley Town Advisory Board.

Sincerely,  
Dustin Swaggerty  
Owner, Swagg Roofing
