Skills & Experience: I have had a long, successful career in charitable leadership, sales, and management. Throughout my years as a mother raising 3 children, I have continuously volunteered and led organizations to support their activities. In these roles, I inspired volunteers to participate as a real community of parents at each level of education. I led large and small fundraising projects that generated more funds than originally budgeted. This allowed the organizations to take on even larger projects to benefit the school and our children. I organized initiatives to build lasting relationships and enhance our children's experiences.

In my professional life, I demonstrated my ability to engage customers by exceeding my sales goals in a retail sales position. I again worked to build relationships with the rest of the staff to create a sense of community, which was rewarded with the "Sales Associate of the Month". Additionally, I managed a property lawyer's business affairs. I acted as a bookkeeper, managing the budget, income, and expenses. I organized the investments and paid out eventual returns to the participants of the property investment group.

Finally, in 2024, we moved to Las Vegas after purchasing Kyle Canyon Ranch, of which I am the majority owner. I run the daily operations and set the strategic direction of the ranch. I am responsible for hiring and managing a staff of 10 people. I manage income and expenses to ensure we meet our budgets while investing in future business operations. I oversee the care and management of a horse boarding facility with 55 to 60 horses.

If you have, which one and what was your experience?

I attended the last meeting to see the proposal for expansion at Hearts Alive Village. I was excited to see a horse property have such well-thought-out plans that expand on the local area while maintaining its charm. Seeing the sincerity of the care and interest the council demonstrated was appreciated and motivated me to want to be involved.

Why are you interested in becoming a member of your TAB or CAC?

I have a passion for preserving the local cultural environment that I have quickly come to appreciate. I am driven to volunteer, giving back to my community. I see this volunteer position as a way for me to accomplish these things while becoming a more integral part of the community that I am making my home.
