Why are you interested in becoming a member of your TAB or CAC?

We have enjoyed visiting Sandy Valley for the last 20 + years. While not a lot of significant changes have been made we've enjoyed the slow growth and improvement's that ae being made. So much so that we purchased our final home in August of 2023. We have made a few modest improvements to our property and have met a few "city dwellers" that are on a similar path as our. I love the feel of the Valley and look forward to it's growth in the future. I know that even in such a limited role I can make a difference for the current and further residents of Sandy Valley as we and it move forward with the residential and commercial growth that seems inevitable. I'm sure that my 43 yrs + of work experience in the gaming / lodging industry has provided be with the ability to be fair, rational and to think outside the box. My current role has me engaged in the community and political relations as it appliēs to the growth of our business so I believe I positioned well to be effective as a CAC member.
