**BACKGROUND:**

**Project Description**

General Summary

- Site Address: N/A
- Site Acreage: 0.77
- Existing Land Use: Undeveloped

**Applicant's Justification**

The applicant is requesting to reclassify the site to a CG zoning district so that the property can be developed as a vehicle sales facility. The applicant states that the existing H-2 zoning of the site will not fully support the intended commercial uses. The request conforms to the Master Plan and CG zoning is consistent and compatible with the adjacent properties.

**Related Applications**

<b>Application Number</b>	<b>Request</b>
UC-25-0777	A use permit, waivers of development standards and design review for a vehicle sales facility is a companion item on this agenda.

**STANDARDS FOR APPROVAL:**

The applicant shall demonstrate the proposed request is consistent with the Master Plan and is in compliance with Title 30.

**Analysis****Comprehensive Planning**

In addition to the standards for approval, the applicant must demonstrate the zoning district is compatible with the surrounding area. As of January 1, 2024, H-2 zoning is no longer an established zoning district in Title 30 and is being phased out. The conversion to an appropriate zoning district, which is in conformance with the Master Plan, is encouraged by the County. The adjacent parcels to the north and south have developed with commercial uses and are zoned CG. The request for CG zoning is appropriate and compatible with the surrounding area and is conforming to the Corridor Mixed-Use (CM) land use category on the site. For these reasons, staff finds the request for CG zoning is appropriate for this location.

**Staff Recommendation**

Approval.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Master Plan, Title 30, and/or the Nevada Revised Statutes.
