BACKGROUND:

The claim is a result of a motor vehicle accident on July 9, 2020, whereby Ms. Thompson's car was struck when the Clark County vehicle made a turn in front of her vehicle. The property damage for her vehicle was \$6,212.51 and the total cost for her medical treatment was \$66,660.21.

Through negotiations with legal counsel for the claimant, the claimant has agreed to accept \$82,500.00 in settlement of the bodily injury claim to avoid any further costs and legal expenses of possible litigation in this case. If the settlement is approved, the County would also avoid costs and expenses of any future litigation.

The proposed settlement has been reviewed and approved by the Civil Division of the District Attorney's Office and the Clark County Liability Pool Committee members.
