BACKGROUND:

On May 25, 2016, the Governing Board approved the Preliminary Affiliation Agreement (“Agreement”) with the Board of Regents of the Nevada System of Higher Education on behalf of the Kirk Kerkorian School of Medicine at the University of Nevada, Las Vegas (“UNLV School of Medicine”) under which both parties agreed to work together to set the framework for the creation of a premier academic health center that integrates the expertise of UNLV School of Medicine with the resources of UMC to enhance teaching, promote health care innovation, and improve access to health care for Southern Nevadans.

This Tenth Amendment requests to amend Section 6 of the Agreement to set the Resident Salaries and Academic Mission Support provided by UMC for Academic Year 2025 - 2026, effective July 1, 2025, and add a new Section 16 to include a Transition Term provision outlining resident/fellow records, waiver rights and other related requirements for ongoing resident salary support funding.

The parties are authorized to enter into this Agreement pursuant to Article 11, Section 4 of the Constitution of the State of Nevada; Chapters 396, 450 and 277 of the Nevada Revised Statutes; and certain other inherent, express, and necessarily implied powers and authority.

UMC’s Academic & External Affairs Administrator has reviewed and recommends approval of this Amendment. This Amendment has been approved as to form by UMC’s Office of General Counsel.
