**FISCAL IMPACT:**

None by this action.

**BACKGROUND:**

On February 4, 2026 the Board of County Commissioners (Board) discussed AG-26-900013 to amend cannabis retail store and dispensary regulations contained in Title 30. Title 30 currently has provisions regulating the dispensing and sale of cannabis via a licensed cannabis dispensary (medical cannabis dispensary per NRS) and cannabis retail store (adult-use cannabis store per NRS) which both require a special use permit in specified zoning districts. During the 82<sup>nd</sup> (2023) Regular Session of the Nevada Legislature, AB 277 was signed into law and directs the Cannabis Compliance Board (CCB) to no longer issue licenses for medical cannabis establishments unless the establishment is located in a *covered jurisdiction* which Clark County is not. Furthermore, in the case of cannabis sales, the bill further provides that an adult-use cannabis retail store license issued by CCB shall be deemed to be a medical cannabis dispensary. As a result of these changes, CCB is no longer issuing medical cannabis dispensary licenses in Clark County. The Board directed staff accordingly to amend Title 30 to ensure compliance with these changes.

On April 8, 2026 the Board discussed AG-26-900211 regarding potential revisions to the Special Event commercial use category within Title 30 and directed staff to modify the condition limiting live entertainment or any other activity with amplified sound associated with an event in proximity to residential uses.

In addition to the proposed amendments above, this ordinance also incorporates proposed amendments including modifications to regulations for Light Manufacturing, clarification for Legal Nonconforming Lots, Residential Multi-Family 18 (RM18) Standards, and a correction to the Accessible Space and Access Design requirement.

Staff recommends the Board conduct a public hearing.
