BACKGROUND:

On July 12, 2018, the Regional Transportation Commission of Southern Nevada (RTC) approved Interlocal Contract No. 1020 for the Sloan Lane between Vegas Valley Drive and Ruby Creek Drive project (No. PW.R213AFT) on its annual Capital Improvement Program initially from Fuel Revenue Indexing Extension Funds. The Board of County Commissioners approved this contract on August 7, 2018, to provide funds for engineering for the project.

RTC and the Board subsequently approved four supplemental contracts that increased funds for engineering and construction.

The attached Supplemental No. 5 to Interlocal Contract 1020 extends the term of the contract for the project to June 30, 2028, unless further time extensions are granted. The current total contract value for the subject project is \$1,482,000.

RTC approved the fifth supplemental contract at its meeting on June 8, 2023.

The District Attorney's Office has reviewed and approved the fifth supplemental contract as to form.
