- A. To establish and administer programs to support and facilitate non-custodial parents' access to and visitation of their children, by means of activities including mediation (both voluntary and mandatory), counseling, education, development of parenting plans, visitation enforcement (including monitoring, supervision and neutral drop-off and pick-up), and development of guidelines for visitation and alternative custody arrangements.
- B. To provide the Division of Welfare and Supportive Services (DWSS) a projected annual budget and a plan detailing the goals and objectives to be accomplished through the use of the grant by September 1st of each year for each grant year which runs October 1st through September 30th the following year.
- C. To limit any claim for reimbursement to those costs:
 - 1. Required to provide mediation services, child interviews or parent-child reunifications to assist parents in the formulation and implementation of mutually agreed upon access and visitation arrangements to meet the purpose of the Child Support Access and Visitation grant awarded by the federal Department of Health and Human Services (DHHS).
- D. To comply with Section 508 of Public Law 103-333 which requires statements, press releases,, bid solicitations and other documents describing programs and projects funded in whole or part with federal funds to clearly state the percentage of the total costs of the program or project financed with Federal money.
- E. To comply with Title XII of Public Law 103-277, "the Pro-Kids Act of 1994", which requires that smoking not be permitted in any portion of any indoor facility owned or regularly used for the provision of health, day care, education or library services to children under the age of 18, if the services are funded by Federal programs, whether directly or through state and local governments. Federal programs include grants, cooperative agreements, loans or loan guarantees, and contracts. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for in-patient drug and alcohol treatment.

Failure to comply with the provision of this law may result in the imposition of a civil monetary penalty of up to \$1,000.00 per day which the Eighth Judicial District Court will responsible for paying.

- F. To comply with 45 Code of Federal Regulations (CFR) 303.109(a) to provide appropriate safeguards to ensure the safety of children and parents. Federal grant funds provided under this award may not be used by the grantee or any sub-grantee to support lobbying activities to influence proposed or pending Federal or State legislation or appropriations. This prohibition is related to the use of Federal grant funds and is not intended to affect an individual's right or that of any organization, to petition Congress, or any other level of Government, through the use of other resources. The expenditure of funds under this program are subject to the annual

audit requirements under the Single Audit Act of 1984 (P.L. 98-502) and the Office of Management and Budget Circular A-133 (Audit of States, Local Governments, and Non-Profit Organizations).

- G. Federal funds awarded under this grant must not be used for construction and/or purchase of land.
- H. Funds awarded under this grant must be obligated by the last day of each grant year. Obligations must be liquidated within one year of the last day of each grant year. Any unobligated or unliquidated funds must be returned to the Federal Department of Health and Human Services, Administration for Children and Families. There is no carry over of federal funds under the State Access and Visitation Program.
- I. To provide monthly reports, as requested by the agency, concerning the activity of the Access and Visitation Program.
- J. To provide monthly bills for reimbursement within thirty (30) days of the end of the month in which the expenses are incurred unless the Chief of CSEP grants an approval for an extension. All billings for dates of service prior to July 1 must be submitted to the State no later than the third Friday in July of the same calendar year. A billing submitted after the third Friday in July, which forces the State to process the billing as a stale claim pursuant to NRS 353.097, will subject the Contractor to an administrative fee not to exceed one hundred dollars (\$100.00). Consideration for reimbursement will be considered if the appropriate reports are received.

II. DWSS Agrees:

- A. To submit to DHHS an original financial status report (SF-269) of expenditures for each fiscal year within 90 days after the end of the obligation period.
- B. To monitor, evaluate, and report on all programs funded by the grant to assure compliance with federal requirements and that performance goals are being achieved.
- C. To use Federal State Access and Visitation grant funds to supplement state expenditures at a level at least equal to the level of state expenditures of fiscal year 1995. A state may not use Federal State Access and Visitation funds to supplement expenditures by the state for activities specified in subsection (a) of section 469B of Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996.

Part 84	Non-Discrimination on the Basis of Handicap in Programs and Activities Receiving Federal Financial Assistance;

Part 87	Equal Treatment for Faith-Based Organizations;
Part 91	Non-Discrimination on the Basis of Age in Health and Human Services Programs or Activities Receiving Federal Financial Assistance;

- F. Federal funds awarded under this grant may be used to pay for 90% of the total costs of Nevada's State Access and Visitation Program, up to the State's allocation funded under this grant award. The remaining 10% must be from non-federal sources, either State or local, cash or in-kind.

III. The Parties mutually Agree:

- A. Reimbursement will be made by DWSS to the Eighth Judicial District Court upon receipt and review of monthly billing. Reimbursement will not exceed the approved annual budget.

- G. The parties' obligation hereunder is contingent upon the availability of funds from which payment for contract purposed can be made. No legal liability on the part of the State for payment of any money shall arise unless and until funds are made available by the Federal Department of Health and Human Services, Administration for Children and Families and the State Work Program Authority Funding.
- I. This contract will be reviewed periodically by DWSS, not less than once per duration of the contract, to be conducted not less than ninety (90) days prior to the expiration date of this contract, to ensure that continuous mediation services are provided.

These penalties are prescribed by IRC 7213A and 7431 and set forth at 26 CFR 301.6103(n)-1.

(3) Additionally, it is incumbent upon the contractor to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is

prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000.

(4) Granting a contractor access to FTI must be preceded by certifying that each individual understands the agency's security policy and procedures for safeguarding IRS information. Contractors must maintain their authorization to access FTI through annual recertification. The initial certification and recertification must be documented and placed in the agency's files for review. As part of the certification and at least annually afterwards, contractors must be advised of the provisions of IRCs 7431, 7213, and 7213A (see [Exhibit 4, Sanctions for Unauthorized Disclosure](#), and [Exhibit 5, Civil Damages for Unauthorized Disclosure](#)). The training provided before the initial certification and annually thereafter must also cover the incident response policy and procedure for reporting unauthorized disclosures and data breaches. (See [Section 10](#)) For both the initial certification and the annual certification, the contractor must sign, either with ink or electronic signature, a confidentiality statement certifying their understanding of the security requirements.

III. INSPECTION

The IRS and the Agency, with 24 hour notice, shall have the right to send its inspectors into the offices and plants of the contractor to inspect facilities and operations performing any work with FTI under this contract for compliance with requirements defined in IRS Publication 1075. The IRS' right of inspection shall include the use of manual and/or automated scanning tools to perform compliance and vulnerability assessments of information technology (IT) assets that access, store, process or transmit FTI. On the basis of such inspection, corrective actions may be required in cases where the contractor is found to be noncompliant with contract safeguards.
