To the Spring Valley Committee Selection Panel,

My name is Amari Tate Joestar, and I am deeply passionate about contributing to the continued growth, safety, and unity of our Las Vegas community—especially here in Spring Valley. As both a resident and a small business owner, I have developed a strong foundation in leadership, security, and community engagement, which I believe would bring meaningful value to the committee’s mission of improving our local area.

Through my experience founding and operating a private security company, I’ve gained firsthand insight into the importance of safety, accountability, and open communication between residents and local leadership. My work has taught me how to assess needs, build trust, and foster collaboration to create safer environments for families, businesses, and community spaces.

I’m also passionate about empowering others—especially young people and small business owners—to take pride in our neighborhoods and work together toward common goals. Whether it’s through community discussions, neighborhood watch efforts, or outreach events, I bring a mindset of service, respect, and progress to everything I do.

I would be honored to contribute my skills in security management, leadership, and community building to the Spring Valley Committee. My goal is to help strengthen the sense of connection, safety, and opportunity that makes our city so special. Thank you for considering my application—I look forward to the opportunity to serve our community and help make a lasting, positive difference for Spring Valley.

With respect and appreciation,  
Amari Tate Joestar
