MASTER PLAN**

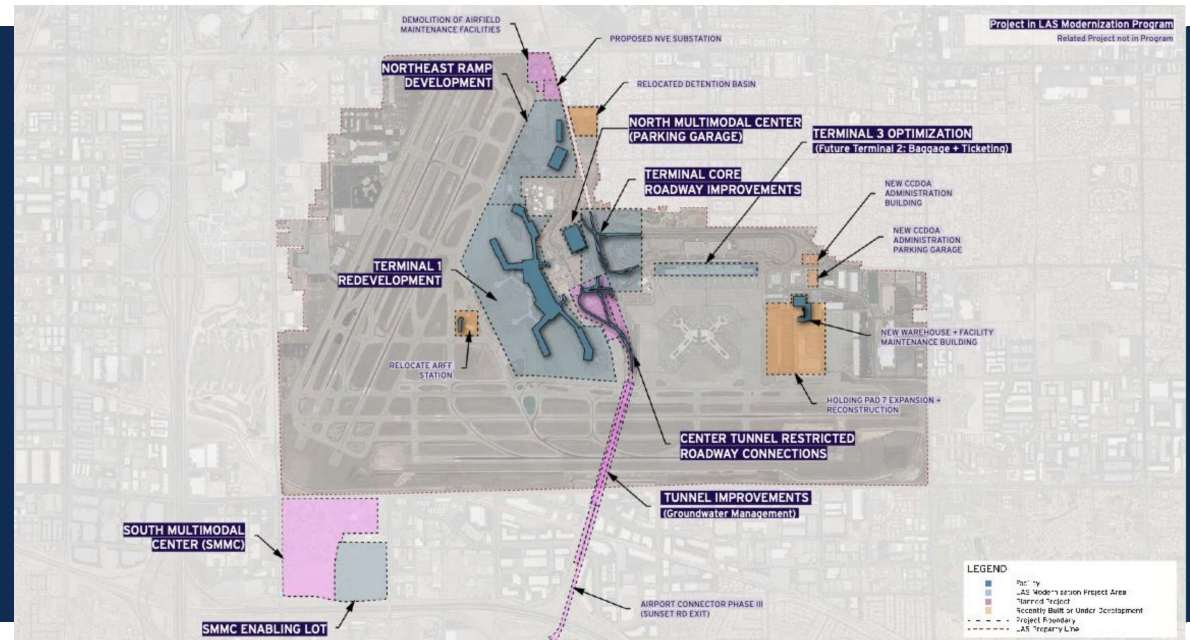

# NORTH LAS VEGAS AIRPORT (VGT)

# LAS MODERNIZATION

- Finalizing 15% Designs
- Strong partnership with Airline Technical Representative
- Next update in December 2026

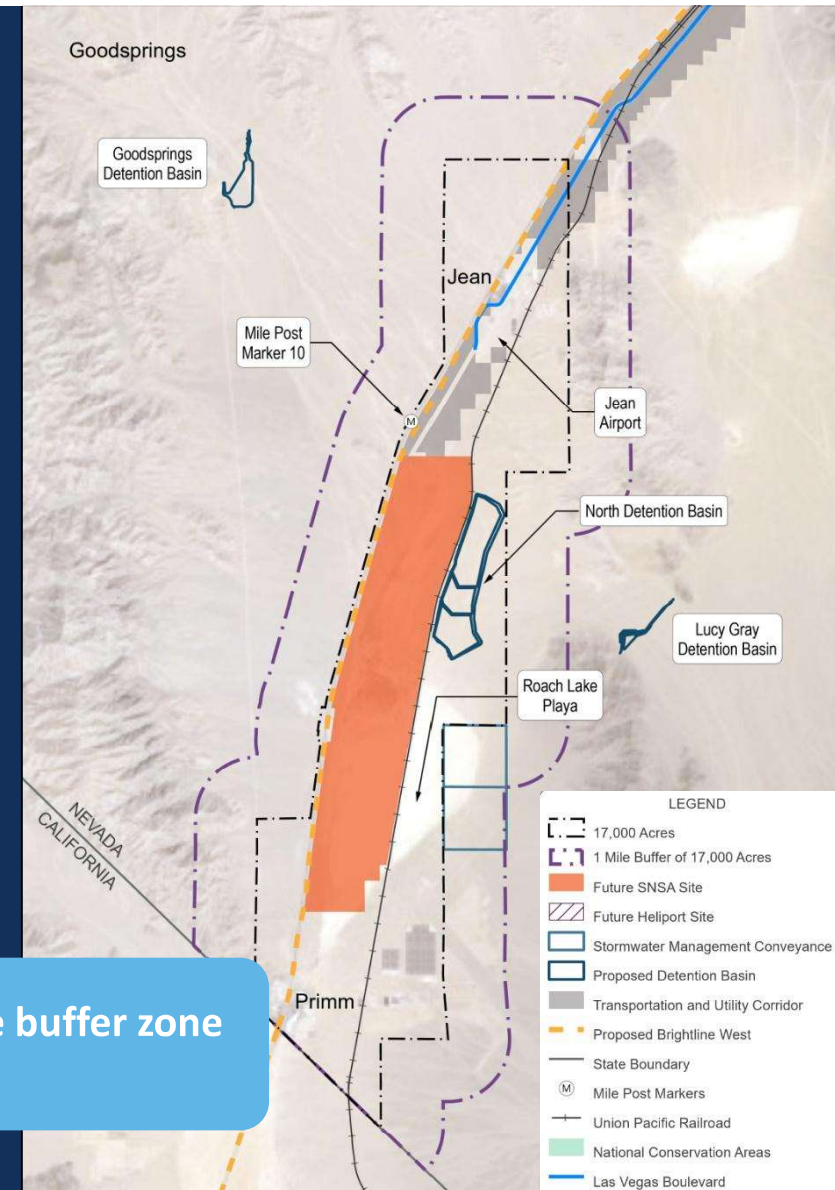

## EXPANSION: SOUTHERN NEVADA SUPPLEMENTAL AIRPORT

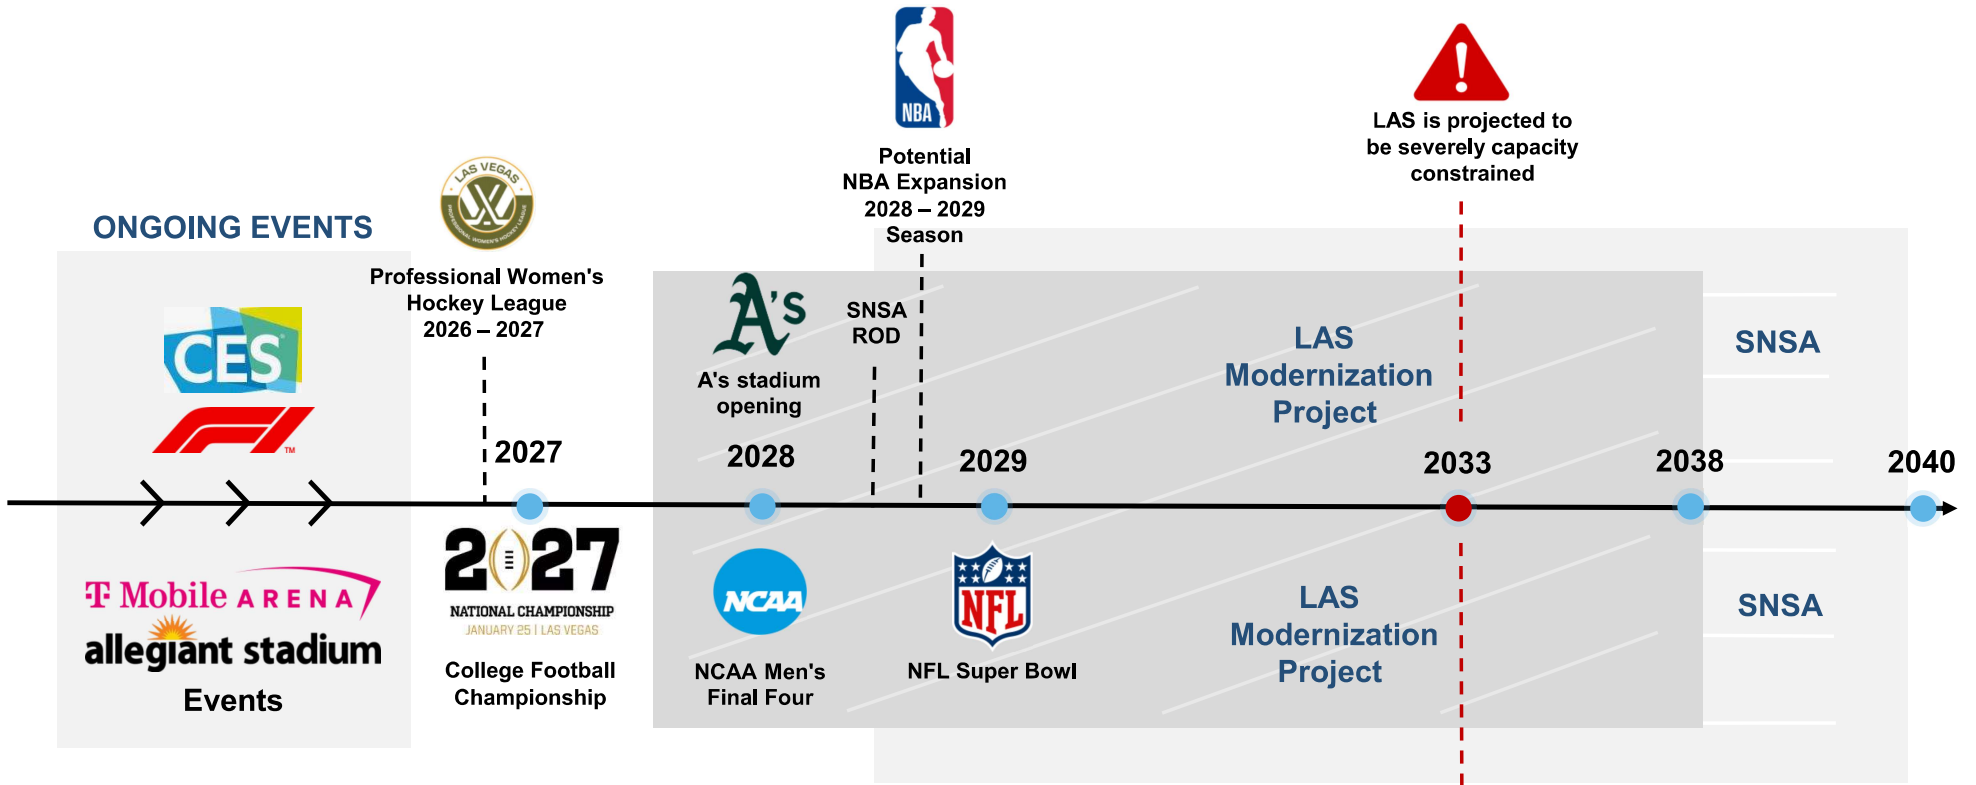

- Serve as second commercial airport for Southern Nevada
- Located approx. 30 miles away from LAS
- Currently under the federal environmental review/permitting process with our Joint Lead Agencies (FAA and BLM) – pending favorable Record of Decision in 2028.

Size: 6,000 acres for airport surrounded by 17,000 acres + 1-mile buffer zone for compatible development.
