WHEREAS, the assessments do not exceed the benefits to the property assessed; and

WHEREAS, it is incumbent upon the Board to provide when the assessments shall become due and the penalties payable after any delinquency.

NOW, THEREFORE, THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF CLARK, IN THE STATE OF NEVADA, DO ORDAIN:

Section 1. This ordinance shall be known as, and may be cited by, the short title “District No. 97B Assessment Ordinance” (the “Ordinance”).

Section 2. The Board has previously determined, and does hereby declare, that each and every complaint, protest and objection made in connection with the District is without sufficient merit and is hereby overruled and finally passed on by the Board, except as provided in the District No. 97B Assessment Protest Resolution. The Board further declares the Creation Ordinance to be amended to permit an aggregate maximum assessment to be imposed annually within the District of up to \$1,313,323.08.

Section 3. All action, proceedings, matters and things heretofore taken, had and done by the County and the officers thereof (not inconsistent with the provisions of this Ordinance) concerning the District, including, but not limited to, the creation of the District, the completion of the Project, the approval of the maintenance contract, the levy of assessments for those purposes, the determination that the tracts in the District will receive special benefits and market value increases, and the validation and confirmation of the assessment roll and the assessments therein, be, and the same hereby is, ratified, approved and confirmed.

Section 4. For the purpose of paying the costs and expenses of the Project, there are hereby levied and assessed against the lots, tracts and parcels of land in the District (being all those specially benefited by said maintenance) and described in the assessment roll for the District, as filed in the office of the County Clerk on April 21, 2026, and as modified and confirmed by the District No. 97B Assessment Protest Resolution duly adopted by the Board on May 19, 2026, the amounts and assessments shown in the assessment roll (as so filed, modified and confirmed).

Section 5. The assessments shall be due and payable at the office of the County Treasurer of the County (the “County Treasurer”) within 30 days after this Ordinance becomes

effective, without interest and without demand; provided, that all or any part of such assessments may, at the election of the owner, be paid in installments, as hereinafter provided. Failure to pay the whole assessment within said period of 30 days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay in installments the amount of the assessment then unpaid. In case of such election to pay in installments, the unpaid assessments which are \$100 or less shall be payable in a single annual installment at the office of the County Treasurer on September 1, 2026 and all other assessments shall be payable in four (4) substantially equal quarterly installments of principal until paid in full, without interest, principal on such assessments being payable quarterly at the office of the County Treasurer on September 1, 2026, December 1, 2026, March 1, 2027, and June 1, 2027. Failure to pay any installment when due shall cause the whole amount of the unpaid principal to become due and payable immediately, at the option of the County, the exercise of said option to be indicated by the commencement of foreclosure proceedings by the County; and the whole amount of the unpaid principal shall, after such delinquency, whether said option is or is not exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the County Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest until the day of sale or until paid, but at any time prior to the date of the sale the owner may pay the amount of all delinquent installments originally becoming due on or before the date of said payment, and all penalty interest accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property assessed and not in default as to any installment or payment may, at any time (at the option of such owner), pay the whole or any quarterly installment of the unpaid principal. Any assessment against property for which an application for hardship determination has been approved by the Board shall be deferred as provided in County Ordinance No. 1341 (the "Hardship Ordinance") but shall be subject to the lien as provided in Section 6 hereof.

Section 6. The amounts assessed as aforesaid shall be a lien upon said lots, tracts and parcels of land from the effective date of this Ordinance (i.e., June 16, 2026) until paid, co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 7. Should any lot, tract or parcel of land within the District be divided after the effective date of this Ordinance and before the collection of all the assessment installments, the Board may require the County Treasurer to apportion the uncollected amounts upon the several parts of land so divided. If two or more lots, tracts or parcels of land within the District are combined or combined and redivided into two or more different tracts after the effective date of this Ordinance and before the collection of all the assessment installments, the Board may require the County Treasurer to combine or combine and reapportion the uncollected amounts upon the part or parts of land that exist after the combination or combination and redivision. The report of such an apportionment, combination or reapportionment, when approved, shall be conclusive on all the parties, and all assessments thereafter made upon the tracts shall thereafter be according to the subdivision, combination or redivision. The report, when approved, shall be recorded in the office of

the County Recorder, together with a statement that the current payment status of any of the assessments may be obtained from the County Treasurer. Neither the failure to record the report nor any defect in the report as recorded shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.

Section 8. In case any such lot, tract or parcel of land so assessed is delinquent in the payment of such assessment or any installment of principal or interest, the Board shall forthwith cause the owner of such delinquent property, if known, to be notified in writing of such delinquency, by first-class mail, postage prepaid, addressed to the addressee's last-known address. If such delinquency shall not be paid, then said assessment shall be enforced by the County Treasurer and other officers of the County, as provided by law with the other taxes in the general assessment roll of the County, and in the same manner. Nothing in this Ordinance shall be construed as preventing the County from collecting any assessment by suit in the name of the governing body; nor from proceeding, at the direction of the governing body, as provided in NRS 271.545 to 271.630. The assessment roll and the certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings in making the assessment and of the right to recover judgment therefor.

Section 9. The County Clerk is hereby directed to deliver to the County Recorder of the County, the County Assessor of the County and the County Treasurer a copy of the final assessment roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner or owners against whom the assessment was made. The final assessment roll is to be recorded in the office of the County Recorder of the County together with the statement that the current payment status of any assessment may be obtained from the County Treasurer, and the County Treasurer is additionally directed to collect the several sums so assessed as a tax upon the several tracts to which they were assessed.

Section 10. In accordance with NRS 271.405(7) the County Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the County, and such notice to be published at least once a week, for three consecutive publications, by three weekly insertions, the first such publication to be at least 15 days prior to the end of the 30-day period stating that said assessments have been levied and are due and payable and the last day for their payment. It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication and the last publication. Such service by publication shall be verified by the affidavit of the publisher and filed with the County Clerk. In accordance with NRS 271.390(2) the County Clerk or Deputy County Clerk shall also give written notice of the levy of assessments by mailing a copy of such notice, postage prepaid, at least 20 days prior to the end of said 30-day period, to the owner or owners of all property upon which the assessment was levied at his or her last-known address or addresses. Proof of such mailing shall be made by the affidavit of the County Clerk or Deputy County Clerk and such proof shall be filed with the County Clerk, provided, however, that failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning said District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the County Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) shall have been paid in full, both principal and interest, or until any claim is barred by an appropriate statute of limitations. The Board hereby determines that the manner of giving notice herein provided by publication and by mail is reasonably calculated to

inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 11. The notice provided for in NRS 271.390(2) and NRS 271.405(7) and in Section 10 of this Ordinance shall be in substantially the following form:

(Form of Notice)

**NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS
FOR MAINTENANCE IN CLARK COUNTY, NEVADA
IMPROVEMENT DISTRICT NO. 97B (STRIP MAINTENANCE)**

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied, and other interested persons that, by the District 97B Assessment Ordinance (the “Assessment Ordinance”) duly passed, adopted, signed and approved on June 2, 2026, there were levied and assessed against the lots, tracts and parcels of land specially benefited by the maintenance of certain public improvements in what is commonly designated as “Clark County, Nevada, Improvement District No. 97B (Strip Maintenance),” (said lots, tracts and parcels of land being more specifically described in the assessment roll designated in the Assessment Ordinance), a portion of the cost and expense of such maintenance.

Assessments are due and payable at the office of the County Treasurer of Clark County, in Las Vegas, Nevada, on or before July 16, 2026, being 30 days after the effective date of the Assessment Ordinance, without interest and without demand, provided that all, or any part of such assessments may, at the election of the owner, be paid in installments, without interest as and to the extent hereinafter provided. Failure to pay the whole assessment within the 30-day period will be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise, to pay the unpaid assessment in installments. In case of such election to pay in installments, the unpaid assessments which are \$100 or less shall be payable in a single annual installment at the office of the County Treasurer on September 1, 2026, and all other assessments shall be payable in four (4) substantially equal quarterly installments of principal until paid in full, without interest, principal on such assessments being payable quarterly at the office of the County Treasurer on September 1, 2026, December 1, 2026, March 1, 2027, and June 1, 2027. Failure to pay any assessment installment when due will cause the whole of the unpaid principal of such assessment to become due and payable immediately at the County’s option, and the whole amount of the unpaid principal will, after such delinquency, whether the County’s option is or is not exercised, bear penalty interest at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the County Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of sale or until paid, but at any time prior to the date of the sale, the owner may pay the amount of all delinquent installments originally becoming due on or before the date of payment, and all penalty interest accrued, and will thereupon be restored to the right thereafter to pay in installments in the same manner as if default had not been suffered. The owner of any property not in default as to any assessment installment or payment may, at any time, pay the whole or any quarterly installment of the unpaid principal. Any assessment against property for which an application for hardship determination has been approved by the Board shall be deferred as provided in the County Ordinance No. 1341 (the “Hardship Ordinance”) but shall be subject to the lien as provided in Section 6 of the Assessment Ordinance.

Pursuant to NRS 271.395, within the 15 days immediately succeeding the effective date of the Assessment Ordinance, any person who has filed a complaint, protest or objection in writing shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter all actions or suits attacking the regularity,

validity and correctness of the proceedings, of the assessment roll, of each assessment contained therein, of the amount of special benefits and market value increases, and of the amount thereof levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation, shall be perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from June 16, 2026 (i.e., the effective date of the Assessment Ordinance), which lien shall be co-equal with the latest lien thereon to secure the payment of general taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general taxes). The sale of any such lot, tract or parcel of land for general taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

DATED this June 8, 2026.
