Public Works - Development Review

- Drainage study and compliance;
- Install a median from Oquendo Road south to the property line;
- If required by the Regional Transportation Commission (RTC), dedicate and construct right-of-way for a bus turnout including passenger loading/shelter areas on Pecos Road in accordance with RTC standards.
- Applicant is advised that off-site improvement permits may be required.

Department of Aviation

- Applicant is advised that issuing a stand-alone noise disclosure statement to the purchaser or renter of each residential unit in the proposed development and to forward the completed and recorded noise disclosure statements to the Department of Aviation's Noise Office at landuse@lasairport.com is strongly encouraged; that the Federal Aviation Administration will no longer approve remedial noise mitigation measures for incompatible development impacted by aircraft operations which was constructed after October 1, 1998; and that funds will not be available in the future should the residents wish to have their buildings purchased or soundproofed.

Clark County Water Reclamation District (CCWRD)

- Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0484-2022 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.
