BACKGROUND:

The Clark County Regional Flood Control District (RFCD) has programmed funds for the design and construction of flood control improvements. Sloan Channel East Branch between Las Vegas Boulevard and Valmark Drive is defined on RFCD's Ten-Year Construction Program with design scheduled to begin in fiscal year 2023/2024. The project includes the design of concrete rectangular channels along a defined flow path, which will connect to existing regional facilities located upstream and downstream.

The time of performance is effective until June 30, 2028, unless time extensions are granted.

RFCD approved the interlocal contract at its meeting on May 23, 2024.

The District Attorney's Office has reviewed and approved the interlocal contract as to form.
