

Town Advisory Board (TAB)/ Citizens Advisory Council (CAC) Application

Name of the TAB/CAC Applying for: Sandy Valley

TABs and CACs were created to assist the Board of County Commissioners in an advisory capacity with the decision-making process in the governance of the unincorporated towns and areas of Clark County. There are 8 TABs and 6 CACs that are appointed by the County Commission and 5 TABs that are elected. Each TAB or CAC consists of area residents that serve without compensation for two-year terms and attend regularly scheduled public meetings throughout the year.

For the following questions, please feel free to attach additional pages as necessary.

Have you attended a TAB or CAC meeting in Clark County? Yes No

If so, which one and what was your experience?

i have attended a few of the CAC meetings in Sandy Valley and think i would be able to add the group currently serving. i have found the meetings to be informative of what the community has been trying to accomplish in the process of building out their properties.

Please list any boards or committees that you currently serve on:
none currently

Why are you interested in becoming a member of your TAB or CAC?

i think i can bring a perspective that is not on the board currently.

To whom it may concern:

I am enclosing a resume for your review. Please consider this letter as my formal application presenting my background, education and experience.

In over 4 years of experience as a Superintendent. I have created and maintained numerous schedules for multi-family projects along with 3-4 week look ahead for all the subcontractors working onsite. My extensive computer and leadership skills allow me to oversee the day to day tasks with proficiency to ensure the project meets each deadline set forth.

Below is a list of projects I have run as the head Superintendent.

Level 25 @ Durango	168 units
The Passage Apartments Phase 2	121 units
Level 25 @ Oquendo	244 units
Level 25 @ Cactus	320 units

I have over 18 years of experience in the Survey field and have used numerous total stations and GPS equipment to accomplish the completion of field work involving most types of surveys. I am experienced with AutoCAD for field Calculations along with TGO to post process control surveys.

I am available to meet with you at your convenience to discuss job opportunities and answer any further questions you may have.

Thank you for your time and consideration. Looking forward to hearing from you soon.

Sincerely,

Shane Byrd, L.S.I.
