Site Plan

The subject site, located at 1140 East Desert Inn Road, was originally developed in 1975 as a bank. The site includes a centrally located commercial building with parking areas situated to the north, east, and south.

In November 2023, the Board of County Commissioners approved a use permit (UC-23-0648) to redevelop the site as a cannabis consumption lounge in conjunction with the adjacent Jade Cannabis Company located to the west on APN 162-10-803-014. That approval included building additions, reconfigured parking, outdoor patio areas for events, and public art installations. A waiver of development standards was also granted to address separation from residential uses and design overlay requirements within the Midtown Maryland Parkway Design Overlay District.

The current request involves a separate use permit to relocate the existing Jade Cannabis Company **retail store** from 1130 East Desert Inn Road to the subject site. The **cannabis retail store** will operate independently from the previously approved **cannabis** consumption lounge, with both uses physically separated by the internal floor plan configuration.

According to the approved Use Permit (UC-23-0648), the site plan proposed a 6,225 square **foot** addition which will make the total area of the project 11,060 square feet. The building remains centrally located on the parcel, with vehicular access provided via 2 existing driveways at the southeast and southwest corners. A drive-thru lane is proposed along the south side of the building to accommodate controlled, pre-ordered transactions. Shared access is maintained with the adjacent **cannabis establishment** to the west, while access to the east remains restricted. Parking areas are retained as shown on the site plan. Based on the proposed floor area, 2,442 square feet for the **cannabis retail store** and 2,473 square feet for the **cannabis consumption** lounge, a total of 24 parking spaces is required per Title 30, and the site plan depicts adequate parking to meet this standard.

#### Elevations

No changes are proposed from the previously approved plans under UC-23-0648.

#### Floor Plans

The 4,915 square foot building is divided into 2 separate suites: the 2,442 square foot **cannabis retail store** will be on the west side and the 2,473 square foot **cannabis** consumption lounge will be on the east. Each suite has dedicated functional areas and shares access through a central lobby. The **cannabis retail store** includes secure entry, retail space, consultation rooms, and storage. The **cannabis consumption** lounge features designated use areas and private rooms. Restrooms and office space are centrally located and accessible to both suites. The layout allows for future tenant improvements, subject to permitting.

#### Applicant's Justification

The applicant requests a special use permit to relocate the Jade Cannabis Company **retail store** from 1130 to 1140 East Desert Inn Road. The **cannabis retail store** has operated without issue since 2017 under prior approval and remains in good standing with state and county licensing agencies. The new location will maintain existing operating hours and follow all regulatory procedures.
