### Analysis

#### Comprehensive Planning

In addition to the standards for approval, the applicant must demonstrate the zoning district is compatible with the surrounding area. The request for CG zoning on the site is compatible with the surrounding area. The adjacent parcel to the west and the north half of the adjacent parcel to the east that fronts Lake Mead Boulevard are already zoned CG. Additionally, the properties to the north across Lake Mead Boulevard are either zoned CG or planned for commercial uses. Furthermore, the site is located along an arterial street (Lake Mead Boulevard) which should be able to accommodate any increase in traffic from a commercial use. The request complies with Policy SM-1.1 which encourages reinvestment and revitalization of older neighborhoods in Sunrise Manor that is compatible with existing development. For these reasons, staff finds the request for CG zoning is appropriate for this location.
