Why are you interested in becoming a member of your TAB or CAC?

I believe that a thriving neighborhood requires it members to give back. Our NW area is a unique area: it holds a variety of historical significance and is one of the last rural areas in the Metro area, but also is one of the last to be developed. It deserves to be protected and developed in a smart and sustainable way that benefits everyone. With the relationships that I have cultivated in this town over the decades, I have my thumb on pulse of our community and am dedicated to assisting the BCC and the commissioners who oversee the Lone Mountain CAC the input to move us in the right direction for a healthy vibrant community.

Special Skills/ Experience/ Training:

Skills I've obtained from years in corporate America, are perfectly aligned with the qualifications needed to be a CAC board member. As a Director of Marketing for two Inc. 500 companies in the Finance Industry, I've managed teams across various departments in extremely fast paced environments. From advertising and customer acquisition, to project management and public relations; to business development and investor relations, there are few facets of business I have not had the pleasure of experiencing.

I am analytical by nature so I instinctively ask questions to see the big picture and provide solutions in a creative and lateral manner. I understand the roles and desires of the community stakeholders and how the CAC and County Commissioners decisions will impact all.

I'm punctual, attentive, successful in group settings, well-prepared for meetings and have an ear for listening. I can keep meetings moving along on a productive pace while still giving a voice to all. I can respectfully disagree with others without personalizing the issue at hand, and can deescalate heightened tensions if needed.

Personal Interests:

With my corporate days behind me, I cherish the ability to raise our daughter, manage our family ranch, and support my husband in our family business which employs close to 1,000 employees in almost 50 restaurants. We have a tremendous financial stake in this city and understand the value of a vibrant economy. As a resident, mom and rancher, I'm personally committed to the success of Clark County and the Northwest/ Centennial Hills area as that is the area we've called home for over two decades. We, like all the other residents, want prosperity, opportunities, safety, security and a sense of community.

Las Vegas is an exciting and eclectic city with so much to offer, but progress must be made in a thoughtful, productive and sustainable manner to meet the needs of all citizens while embracing our natural habitats, rural roots and various cultures.

This beautiful area provides such a unique offerings for its residents, and with a strong desire for stewardship, I want to give back to my community. I hope to provide assistance and perspective in order for our commissioners to make the best decisions possible. The impact of those decisions will shape our future for decades and generations to come.

Thank you for your consideration.
