LAND USE PLAN:

NORTHEAST COUNTY (MOAPA) - AGRICULTURE

NORTHEAST COUNTY (MOAPA) - CORRIDOR MIXED-USE

NORTHEAST COUNTY (MOAPA & MOAPA VALLEY) - OPEN LANDS

BACKGROUND:

Applicant's Justification

The applicant states that an application has been submitted to the Bureau of Land Management (BLM) for quarry operations on BLM land for extracting limestone and other common minerals for cement production. Additionally, a cement plant is planned to be built on private land in the area. The subject unnamed streets shown on the Transportation Map of the Clark County Master Plan are located within and adjacent to the overall project area. Therefore, the applicant requests these streets be removed from the Transportation Map of the Master Plan, as these streets would conflict with the overall project and are not needed to provide public access or circulation through the area. Furthermore, the applicant points out that none of these streets have been fully developed or paved, and only a small portion has been graded or improved in any way. Interstate 15, State Route 169, and Lewis Ranch Road provide adequate access to the area.
