The total cost of the Project to the County (including all necessary incidentals, which either have been or will be incurred in connection with the Project) for fiscal year 2024-2025 shall be paid by assessments against the assessable property in the District as designated in the Creation Ordinance. The total cost of the Project shall be apportioned and the amount to be assessed shall be as follows:

Total Cost	Estimated Amount of Special Assessment	Amount Available from Other Sources
\$70,965.13	\$70,965.13	\$-0-

Section 3. The proposed final assessment roll for the District has been examined by the Board, is tentatively approved, and is ordered filed in the office of the County Clerk.

Section 4. Tuesday, May 21, 2024, at 10:00 a.m., at the Clark County Commission Chambers, Clark County Government Center, 500 South Grand Central Parkway, in Las Vegas, Nevada, is the date, time, and place when the Board will hear and consider complaints, protests and objections to the assessment roll, to the amount of each of the assessments, and to the regularity of the proceedings in making such assessments (whether made verbally or in writing) by the owners of the assessable property specially benefited by the Project in the District and proposed to be assessed, or by any party or person interested, and by all parties or persons aggrieved by such assessments.

Section 5. The County Clerk shall give notice by publication in the Las Vegas Review-Journal, a newspaper of general circulation in the County, and a newspaper of general circulation in the District, such notice to be published at least once a week, for three consecutive

It shall not be necessary that the notice be published on the same day of the week, but not less than 14 days shall intervene between the first publication in such newspaper and the last publication in the same newspaper. Such service by publication shall be verified by the affidavit of the publishers and filed with the County Clerk. In accordance with NRS 271.380(2), the County Clerk or Deputy County Clerk shall also give notice by registered or certified mail by depositing a copy of such notice in the United States mails, postage prepaid, as first-class mail, at least 20 days prior to such hearing, to the last-known owner or owners of each tract being assessed at his or their last-known address or addresses. Proof of such mailing shall be made by the affidavit of the County Clerk or Deputy County Clerk and such proof shall be filed with the County Clerk, provided, however, that failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the publication and proof of the mailing shall be maintained in the permanent records of the office of the County Clerk until all special assessments and special assessment bonds issued (if such special assessment bonds are hereafter issued) appertaining thereto, shall have been paid in full, both principal and interest, or any claim is barred by an appropriate statute of limitations. The Board hereby determines that the manner of giving notice herein provided by publication and by registered or certified mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests. Such notice shall be as provided in NRS 271.380 and shall be in substantially the following form:

(Form of Notice)

*Total amount of Assessment \$ _____

*Description of Property Assessed: _____

(* include amount and description in mailed notice)

NOTICE OF THE FILING OF ASSESSMENT ROLL, OF THE OPPORTUNITY TO FILE WRITTEN COMPLAINTS, PROTESTS, OR OBJECTIONS, AND OF THE ASSESSMENT HEARING, ALL CONCERNING THAT CERTAIN AREA TO BE ASSESSED FOR MAINTENANCE WITHIN THE CLARK COUNTY, NEVADA, IMPROVEMENT DISTRICT NO. 162B – LAUGHLIN LAGOON MAINTENANCE.

NOTICE IS HEREBY GIVEN, that the assessment roll for Clark County, Nevada, Improvement District No. 162B – Laughlin Lagoon Maintenance (the “District”) in and for the County of Clark, State of Nevada, which has been made out by the Board of County Commissioners of the County (the “Board”), together with the County Director of Public Works, has been filed on April 16, 2024, in the office of the County Clerk and since such date the assessment roll has been, and now is available for examination by any interested person during regular office hours. The boundaries of the District are described in the Improvement District No. 162B Creation Ordinance heretofore adopted (the “Creation Ordinance”). The boundaries of the District, which include the lots, tracts and parcels of land to be assessed for the “Waterfront Maintenance Project” described in the Creation Ordinance, shall be the exterior boundary of the following parcels: 264-28-402-005; 264-33-101-006; 264-33-101-007; 264-33-101-008; 264-33-501-001; 264-33-501-002; 264-33-501-003; 264-33-501-004; 264-33-501-005; 264-33-501-006; 264-33-501-007; 264-33-501-008; 264-33-501-009; 264-33-501-010; 264-33-501-011; 264-33-501-012; and 264-34-101-003.

The amounts to be assessed for the “Waterfront Maintenance Project” described in the Creation Ordinance, which generally consists of annual maintenance work to the Laughlin Lagoon (the “Lagoon”), will be levied upon all tracts in the District, i.e., upon all tracts in proportion to the special benefits derived (as shown by the estimated benefits and corresponding market value increases); provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or V or other irregularly shaped lots or lands, if any, and for any lot, tract or parcel not specially benefited by the improvements so that assessments according to benefits are to be equal and uniform.

The assessments in the District will be levied on a linear front-foot basis measured perpendicular to the north-south running parcel boundaries of the parcels fronting the Lagoon. The frontages are based on recorded property deeds and are rounded to the nearest foot. Such frontages will be calculated at a right angle to the north-south parcel lines due to the Lagoon bank being irregularly shaped in many areas. The assessments for parcels which originally had linear front footage within the District at the time the District was created and have been subsequently subdivided may be reapportioned onto the subdivided parcels pursuant to Chapter 271 of Nevada Revised Statutes.

Such basis of assessment has been designated by the Board in the Creation Ordinance

heretofore adopted. The portion of the costs to be assessed against, and the maximum amount of benefits estimated to be conferred upon, each lot, tract or parcel of land or property in the District is stated in the assessment roll. The Board has determined that each of such tracts will receive special benefits (and corresponding market value increases) from the improvements in the Project.

The Board will meet to hear and consider all complaints, protests, and objections to said assessment roll, to the amount of the assessments, and to the regularity of the proceedings in making such assessments, by the owners of said property specially benefited by, and proposed to be assessed for, the improvements in the District, by any person interested, and by any parties aggrieved by such assessments, on Tuesday, May 21, 2024, at 10:00 a.m., at the Clark County Commission Chambers, Clark County Government Center, 500 South Grand Central Parkway, in Las Vegas, Nevada. Notwithstanding the forgoing, any complaint, protest, or objection to the regularity, validity, and correctness of the proceedings, of the assessment roll, of each assessment contained therein, and of the amount thereof levied on each lot, tract or parcel of land, shall be deemed waived unless filed in writing with the County Clerk of Clark County, Nevada (the "County Clerk"), on or before Friday, May 17, 2024, i.e., at least three days prior to the date set for the assessment hearing. Any such complaint, protest, or objection will be considered timely filed with the County Clerk: (i) if sent by electronic mail, if such electronic mail message is addressed to Clerkrec@clarkcountynv.gov and received by the County Clerk before 5:00 p.m. on Friday, May 17, 2024; (ii) if hand-delivered, if such hand delivery is received by the County Clerk or her designee before 5:00 p.m. on Monday, May 20, 2024 (the offices of the County being closed on Friday, May 17, 2024); or (iii) if sent by U.S. mail, if such mail is addressed to County Clerk of Clark County, Nevada, 500 S. Grand Central Parkway, LV, NV 89155, Attention: Tammy McMahan, and is actually delivered to the County Clerk before 5:00 p.m. on Friday, May 17, 2024.

At the time and place so designated for the hearing the Board shall hear and determine all complaints, protests, and objections to the regularity of the proceedings in making such assessments, the correctness of such assessments, or of the amount levied on any particular lot, tract or parcel of land to be assessed, the amount of the benefits and corresponding market value increases, which have been so made in writing or verbally, and the Board shall have the power to adjourn such hearing from time to time, and by resolution shall have power, in its discretion, to revise, correct, confirm, or set aside any assessment and to order that such assessment may be made de novo. The owners of the property to be assessed are advised that this is the final chance to present any evidence as to the amount of the assessments (or other matters to be considered at the hearing) to the Board. If a person objects to the assessment roll or to the proposed assessments:

- (1) He is entitled to be represented by counsel at the hearing;
- (2) Any evidence he desires to present on these issues must be presented at the hearing; and
- (3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.395.

The assessments which are \$100 or less shall be payable in one (1) installment of principal, without interest, at the office of the County Treasurer of Clark County due on September 1, 2024. All other assessments shall be paid in four (4) substantially equal quarterly installments of principal until paid in full, without interest, principal on such assessments being payable quarterly at

the office of the County Treasurer of Clark County due on September 1, 2024, December 1, 2024, March 1, 2025, and June 1, 2025. Penalties (at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the County Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest) shall be due for delinquencies. The owner of any property not in default as to any quarterly assessment installment may, at any time, pay the whole or any installment of the unpaid principal.

Pursuant to NRS 271.357, the County has established a procedure to allow any person whose principal residence will be included in the District to apply for a hardship determination. A person whose application for a hardship determination has been approved by the Board is entitled to have the principal amount of the assessment postponed, but is required to pay the interest on the unpaid balance of the assessment at the same rate and upon the same terms as established by the Board for the assessments. A person desiring to apply for a hardship determination must file an application no later than May 17, 2024. Applications and filings instructions may be obtaining by calling the Clark County Department of Social Services, 1600 Pinto Lane, Las Vegas, Nevada 89106 at (702) 455-4270.

Pursuant to NRS 271.395, within the 15 days immediately succeeding the effective date of the assessment ordinance to be adopted following the hearing, any person who has filed a complaint, protest, or objection in writing shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter all actions or suits attacking the regularity, validity, and correctness of the proceedings, of the assessment roll, of each assessment contained therein, and of the amount of the assessment levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation, shall be perpetually barred.

Dated this April 16, 2024.

/s/ Lynn Marie Goya
County Clerk

(End of Form of Notice)

Section 6. The owner or owners of any lot, tract or parcel of land which is assessed in such assessment roll, whether named or not in such roll, or any person interested, or any parties aggrieved, may, within three days prior to the date set for the hearing, file with the office of the County Clerk his or her complaints, protests, or objections in writing to said assessment.

Section 7. Whenever any notice is mailed as herein provided, the fact that the person to whom it was addressed does not receive it shall not in any manner invalidate or affect the legality of the notice thereby given.

Section 8. The officers of the County be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this resolution.

Section 9. All resolutions, or parts thereof, in conflict herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any resolution or part of any resolution heretofore repealed.
