(For possible action)

FISCAL IMPACT:

Fund #:	5201.701	Fund Name:	Airport Unrestricted Operations
Fund Center:	2200100020	Funded PGM/Grant:	N/A
Amount:	Not to exceed \$1,700,000		
Description:	Upgrade to Door Controllers for Card Access System Phase II		
Additional Comments:	N/A		

BACKGROUND:

This Competitive Bidding Exception is for the purchase, installation, and implementation of improvements to the Card Access System (CAS) with Johnson Controls, Inc. (Company), the current provider of CAS maintenance for the Clark County Department of Aviation. The CAS is a critical part of the Airport Security Plan at Harry Reid International Airport.

The project includes removing all remaining legacy hardware associated with the CAS. Specific project milestones include the replacement of door controllers and their associated input/output modules, reconfiguring controller clusters to match new hardware layouts, and reprogramming the system to accommodate new security technologies.

The term of the project is from date of award through installation and implementation, which is anticipated to be 12-18 months.

The recommendation of award is in accordance with NRS 332.115(1)(c), the additions to and repairs and maintenance of equipment may be more efficiently added to, repaired or maintained by a certain person; (d), the equipment which, by reason of the training of the personnel or of an inventory of replacement parts maintained by the local government is compatible with existing equipment; (i) the maintenance and support for: (1) hardware and associated peripheral equipment and devices for computers; and (2) software for computers; and (j), the equipment contains hardware or software for computers; and is therefore exempt from competitive bidding requirements.

Company currently holds a Clark County Business License.
