Description:	For the purchase of heart monitors for Clark County Fire Department		
Additional Comments:	The total Contract award is estimated in the amount of \$3,204,286.90 should all renewal options be exercised, with increased user requirements included.		

BACKGROUND:

This Contract is for the purchase of heart monitors for Clark County Fire Department from Zoll Medical Corporation. (LBE)

A Fiscal Directive No. 6, Competitive Bidding Exception, was approved because North Las Vegas Fire & Rescue, Henderson Fire Department, and Community Ambulance have all recently moved to the Zoll X series monitor which has the reputation for dependability and continued service after the purchase. Standardizing this equipment across Southern Nevada EMS response helps reduce potential time delays and increases effective utilization.

The following are the pertinent provisions of the Contract:

- The term of the Contract is from date of award through June 30, 2021 and includes the option to renew for 4, one-year periods.
- Includes the option to increase the award amount up to 25% based on possible increased user requirements for the renewal terms and approved budget appropriations.
- Includes the County's option to terminate for cause, convenience or default and suspend the Contract with advanced written notice.

The recommendation of award is in accordance with NRS 332.115.1(a), the competitive bidding process is not required as the item to be purchased is contracted from a sole source.

The Business License Department has determined that a Clark County Business License is not required for this effort.
