For the following questions, please feel free to attach additional pages as necessary.

Have you attended a TAB or CAC meeting in Clark County? Yes ☒ No ☐

If so, which one and what was your experience?

The last CAC meeting I attended was October 11, 2022. During the meeting there was not much on the agenda but more hearing about informational items. I did was a little disappointed in this meeting along with a few previous meeting due to some Board/Council Members not wanting to conduct meetings on a monthly basis. I understand that there are not a lot of citizens from the community that attends but I believe it is because the citizens are under the impression that the members do not care. When meetings are cancelled it proves citizens right even if they do not attend meetings on a monthly basis.

Please list any boards or committees that you currently serve on:

Why are you interested in becoming a member of your TAB or CAC?

I am interested in becoming a member of the Citizens Advisory Council due to having positive interactions with the community and residents being able to discuss current issues without judgement. I believe that I can help make decisions for which is best for the community with no biased judgement of my own. The community needs a new Board/Council Member that has there best interest in mind and I believe that, that is me.

Dear Board of County Commissioners:

I would like to apply for the position of a Board/Council Member with the Citizens Advisory Council. I am an active member in the community with a background in human services and would love the chance to give back by lending my advisory skills to an organization that betters the Sandy Valley Community.

I am a Peace Officer with the county and work around individuals within the area of the Sandy Valley. I help keep the community and individuals safe by achieving goals that better the community and help individuals toward achieving personal goals. I have a strong background in problem solving, which is the best outcome for the greater good. In addition, one of my expertise is counseling those struggling in a negative environment.

I am also a volunteer with the Clark County Fire Department based in the Rural area of Sandy Valley. I help educate the community in preserving life safety. I assist in the training of children, teenagers, and young adults on how to react during certain incidents.

I am confident you will find me a good fit for your needs as a Board/Council Member to the Citizens Advisory Council. Please contact me by phone or email at a convenient time for you. I look forward to hearing from you and thank you so much for your time.

Sincerely,

Jamie Kuuleiiponani Scanlon
