GOALS

SNHD GOALS

- Development and implementation of SNHD's Strategic Plan
- Implementation of the Community Health Improvement Plan
 - Top health priorities → Access to care, Chronic Diseases, Transportation, and PH funding
- Implementation of the Public Health Infrastructure Project
- Public Health Laboratory expansion plan (\$10.5 million investment)
 - BSL-3, molecular and microbiology laboratories to support bioterrorism counter response and communicable disease surveillance
- Advocate the NV legislature and federal delegation for approval of sustainable public health funding in NV
- Implement a comprehensive marketing campaign addressing Tobacco, Vaping, and the Opioid epidemic.
- Enhance SNHD contribution to behavioral health services and addressing the opioid epidemic in Clark County
- Deliver preventive and other dental health services at Fremont Health Center
