BACKGROUND:

On April 14, 2025, the Clark County Department of Aviation (DOA) sent its proposed Fiscal Year 2026 (FY2026) budgeted rentals, fees, and charges to the LAS Airline and Airport Affairs Committee (LAS AAAC) for review and comments. The rentals, fees, and charges were calculated in accordance with the rate-making methodology contained in the Airline-Airport Use and Lease Agreement. LAS AAAC members and DOA met on April 22, 2025, to further review and discuss the proposed FY2026 budget and rate calculations. The net result of the proposed budget is an increased cost per enplanement from \$7.27 to \$8.69. The LAS AAAC unanimously approved the proposed FY2026 budget and sent their formal approval letter on May 1, 2025.

All material questions and comments received from the LAS AAAC, collectively or individually, were satisfactorily addressed by the DOA. This amendment to Clark County Code, Title 20, Chapter 20.10, Section 20.10.010 would amend the rentals, fees, and charges at Harry Reid International Airport, in accordance with approval from the LAS AAAC.
