Have you attended a TAB or CAC meeting in Clark County? Yes No

If so, which one and what was your experience? Served two years on Whitney Town Advisory Board (WTAB). During that time I participated in discussions asking relevant questions as to impacts on community, traffic and property values based on my long term residency and history of area.

Please list any boards or committees that you currently serve on: Nevada Association of Mobile Home Owners, Historian for Tropicana Palms Resident Committee, Liason to/from various neighborhood organizations, Wetlands volunteer (12 yrs), Membership in Wetlands Park Friends.

Why are you interested in becoming a member of your TAB or CAC? I strongly believe the residents of a neighborhood should have an avenue to discuss the impact (positive/negative) of a proposed development in their community. The WTAB serves that purpose. I have a perspective historically as well as looking to the future. I see this as a civic duty to be aware of proposals affecting my community and as a vehicle to share with others.

Whitney Town Advisory Board:

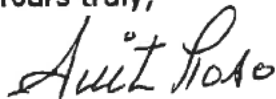

It is with enthusiasm I submit my application to continue my role with the Whitney Town Advisory Board (WTAB). As a 32 year resident, I have been involved in issues impacting the area: impacts on traffic, property values, seniors and home values. I have accomplished this thru my active involvement with boards, community activities as well as regular attendance at Whitney TAB meetings; then, of course, with my last two years serving on the WTAB.

In my various roles on committees and as a historian at Tropicana Palms, I bring insight on what changes/improvements have taken place and how they have impacted day-to-day life. I constantly encourage others to get involved and stay informed on proposals affecting them. I care about and take the time necessary to understand the full picture these proposals represent.

My 45 years in the medical field as a supervisor, manager and case manager have given me the skills to work with a variety of personalities and appreciate others' views while sorting thru the relevant issues.

I look forward to continuing my role with the WTAB.

Yours truly,

Anita Toso
