Re Goodsprings Town Advisory Council

I'd like to express my interest in sitting on the Goodsprings Community Advisory Council.

My career included Accounting, supervising large computer operating systems (hard drives) for several companies, dispatching Trains & new automobiles from coast to coast for Union Pacific Railroad as well as 2 large car hauling companies Hadley Auto Transport & PMT trucking. I spent 10 years in the teamster's union as a shop steward until I moved to corporate offices for both companies until I semi-retired as a freight payment analyst in late 2010.

10/2016-02/2020 I sat on the Goodsprings CAC until illness & family matters caused me to step down.

02/2018 I started the Goodsprings Foodshare program, and we are still going strong with over 10 long standing volunteers.

I love gardening, shooting, long walks in the desert, candle making and creating crafts, as well as my rescue dogs.

I have a drive to make things right and just for all those around me.

My phone is always open to my neighbors in Goodsprings, for food, transportation, a phone so people can call family or make appointments. I feel I have a lot to add to our Council as I love this little community and the people in it.

Thank you for your consideration.
